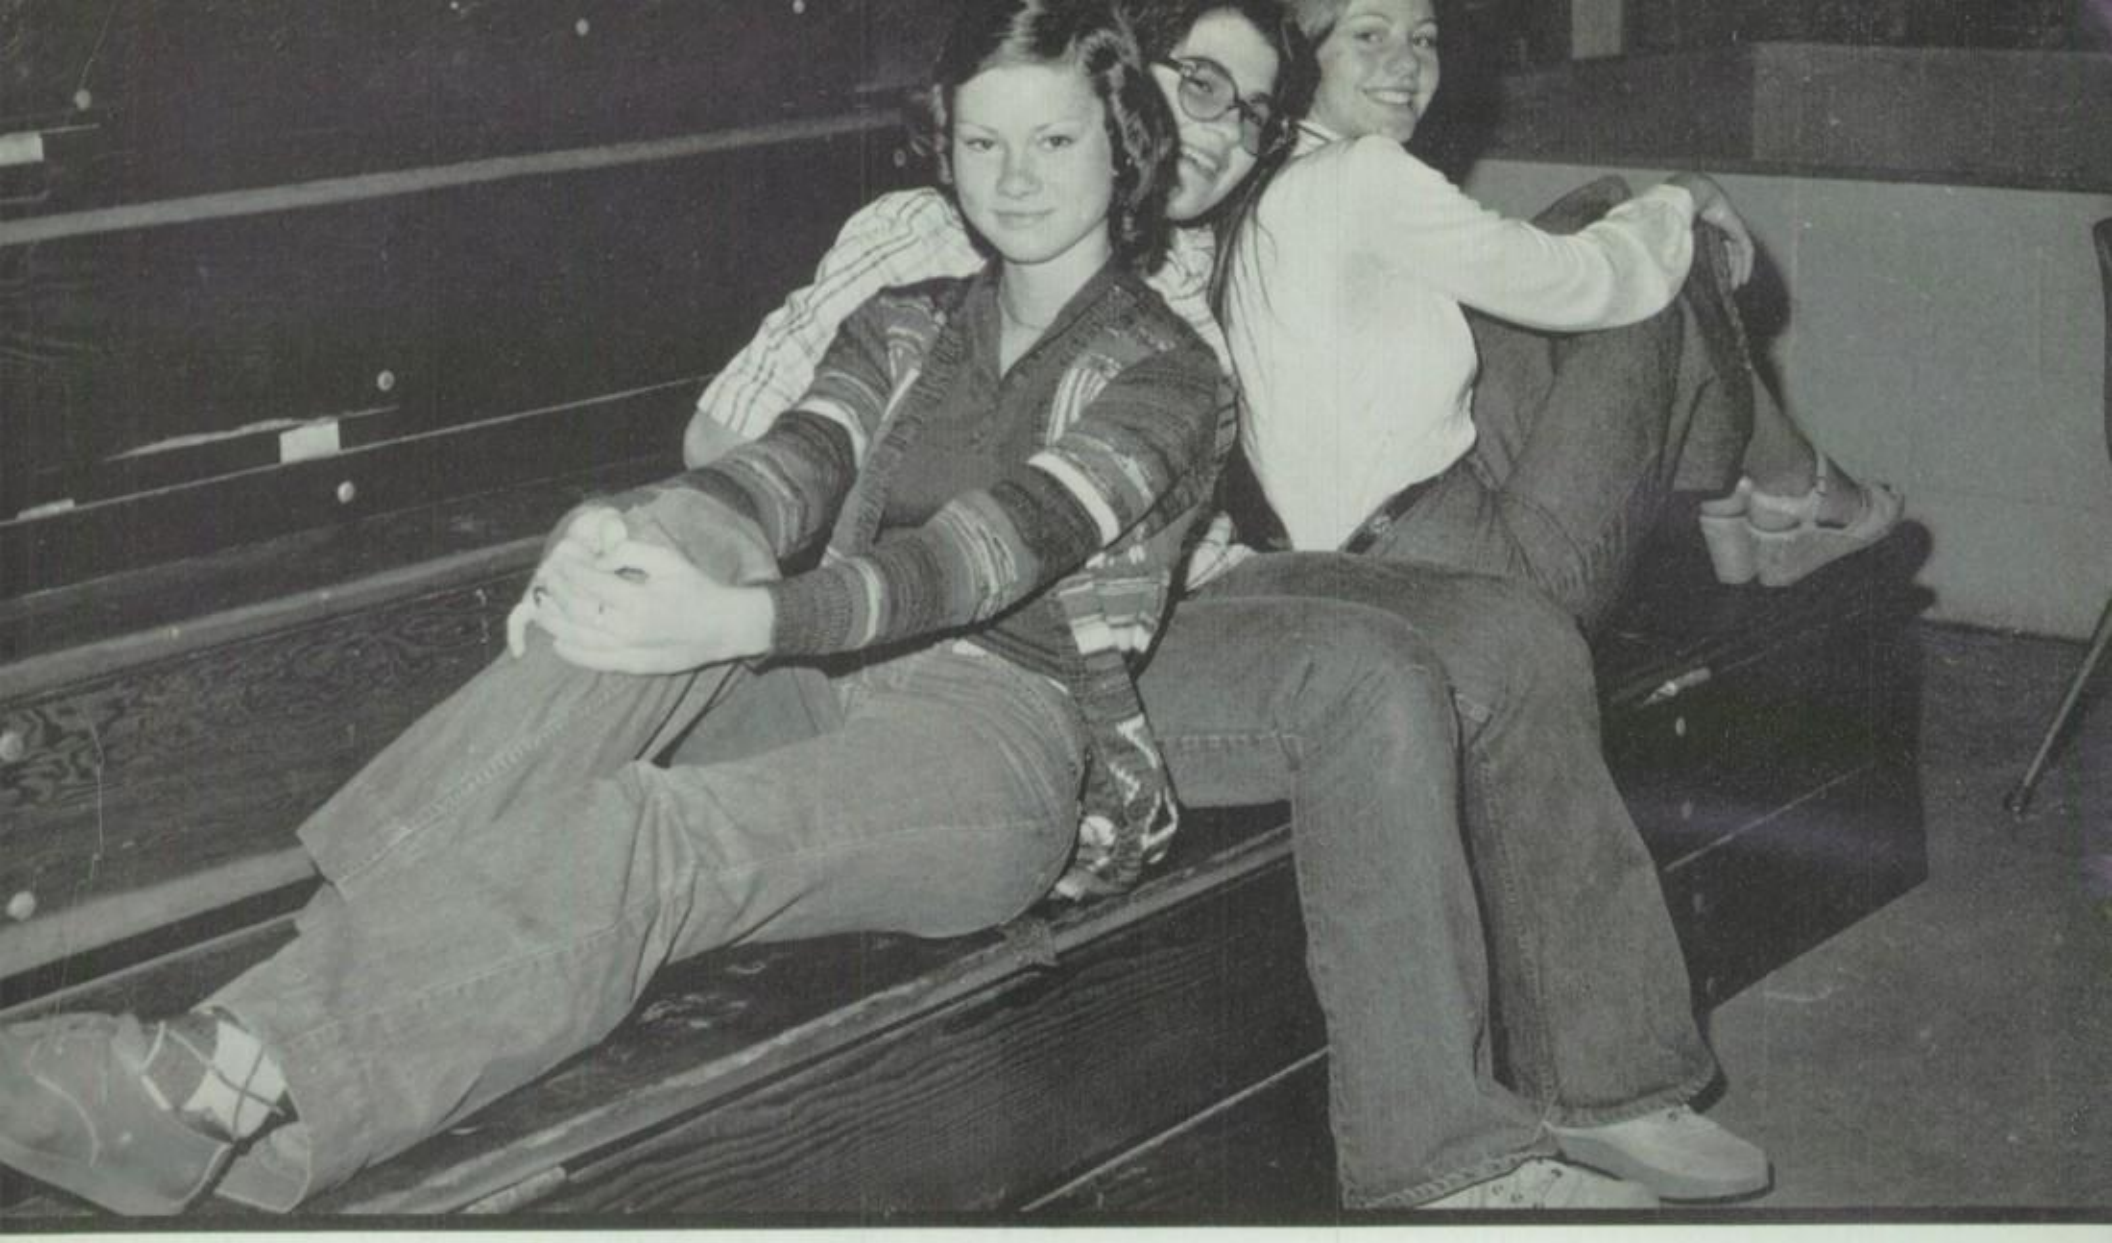
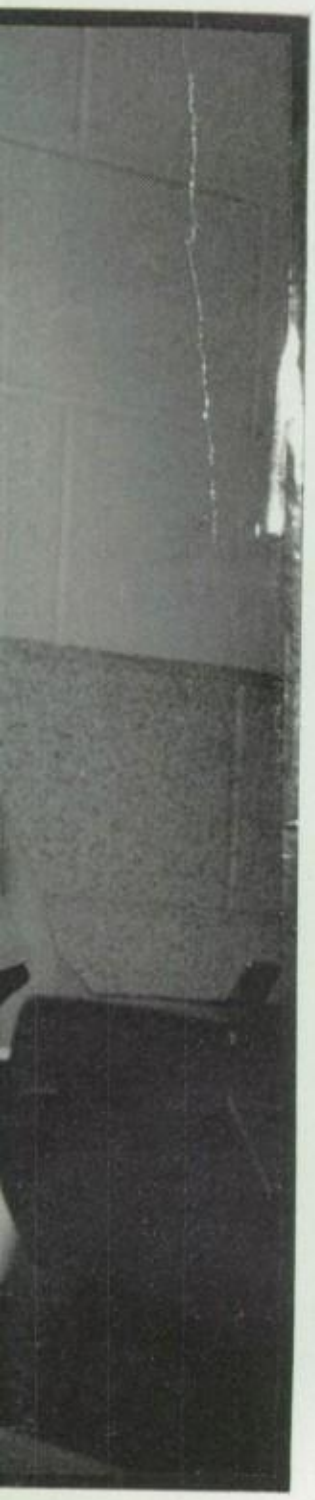
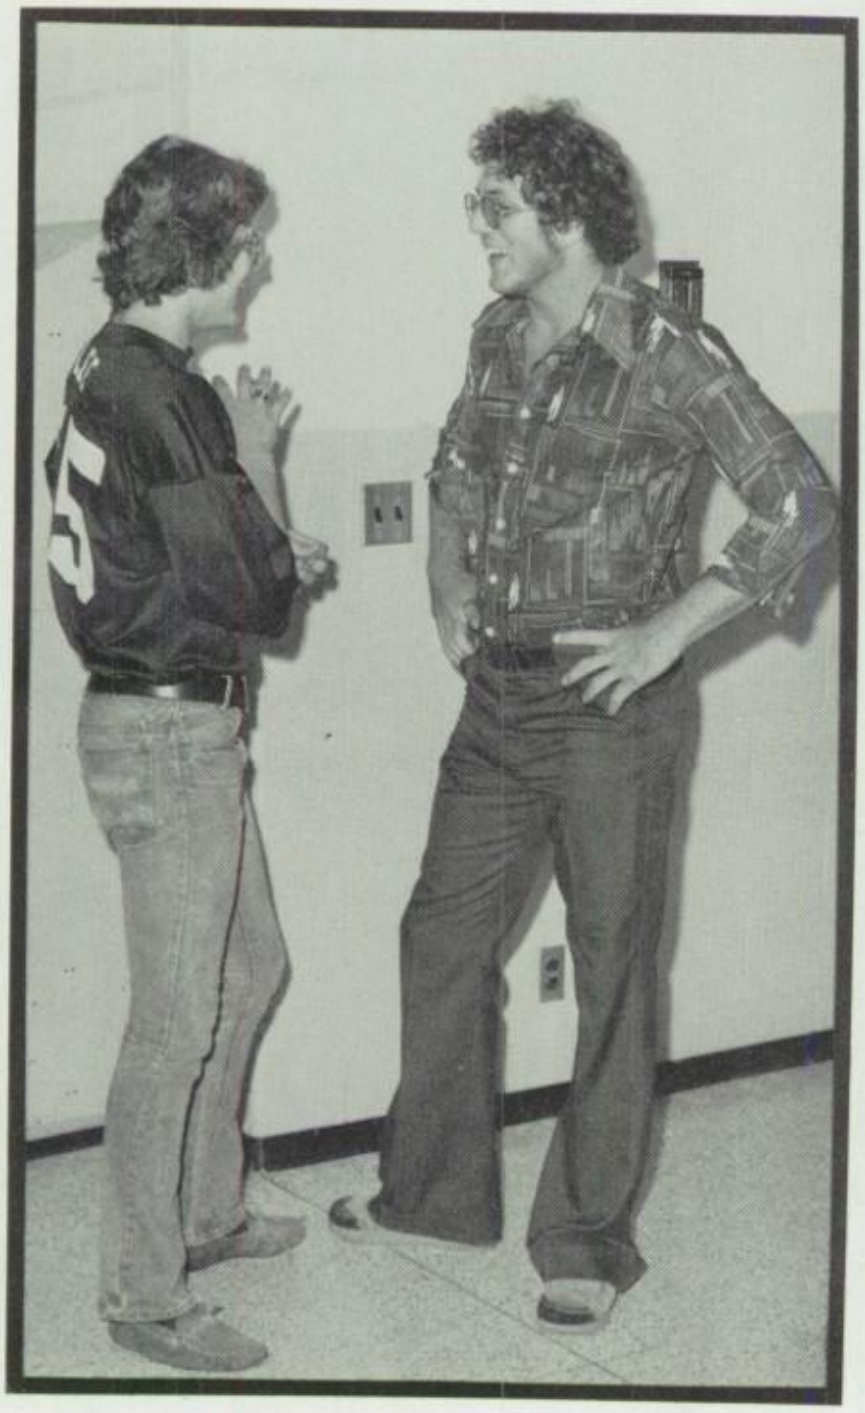
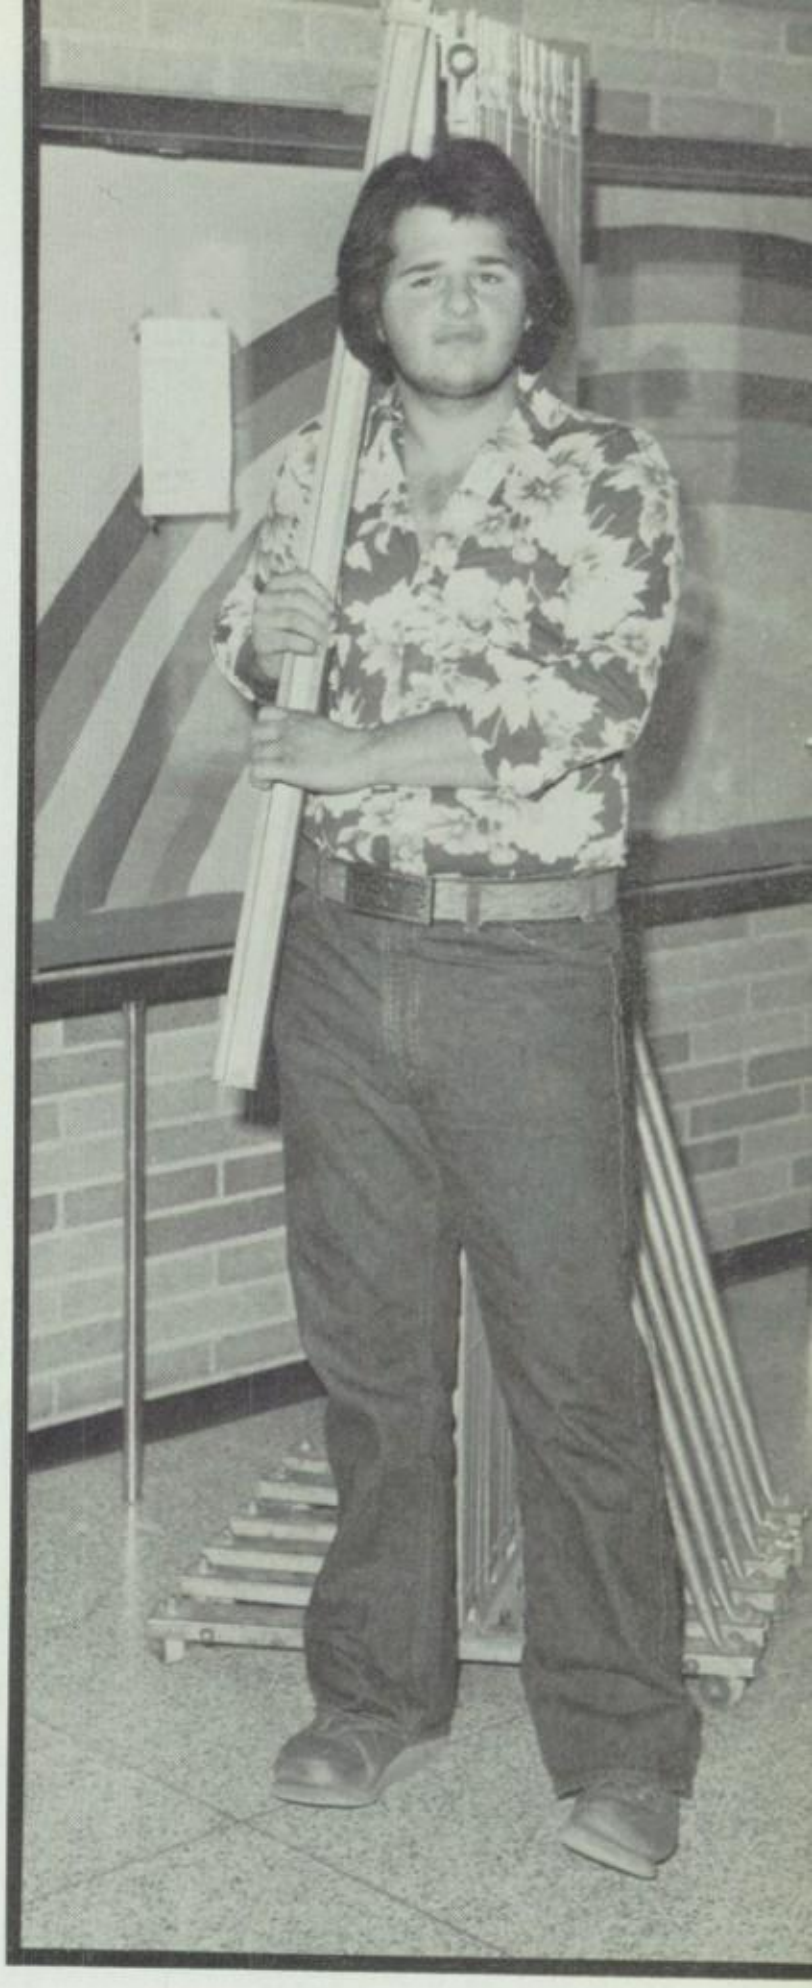
West Senior High School
1851 Radcliff
Garden City, Michigan 48135









With all of the changes that took place this year in the Garden City school district, the West student body still managed to enjoy this year at school. As in the past the students did their own thing. The students participated in classes as well as activities nights to athletic sports.

Too Nice To Forget

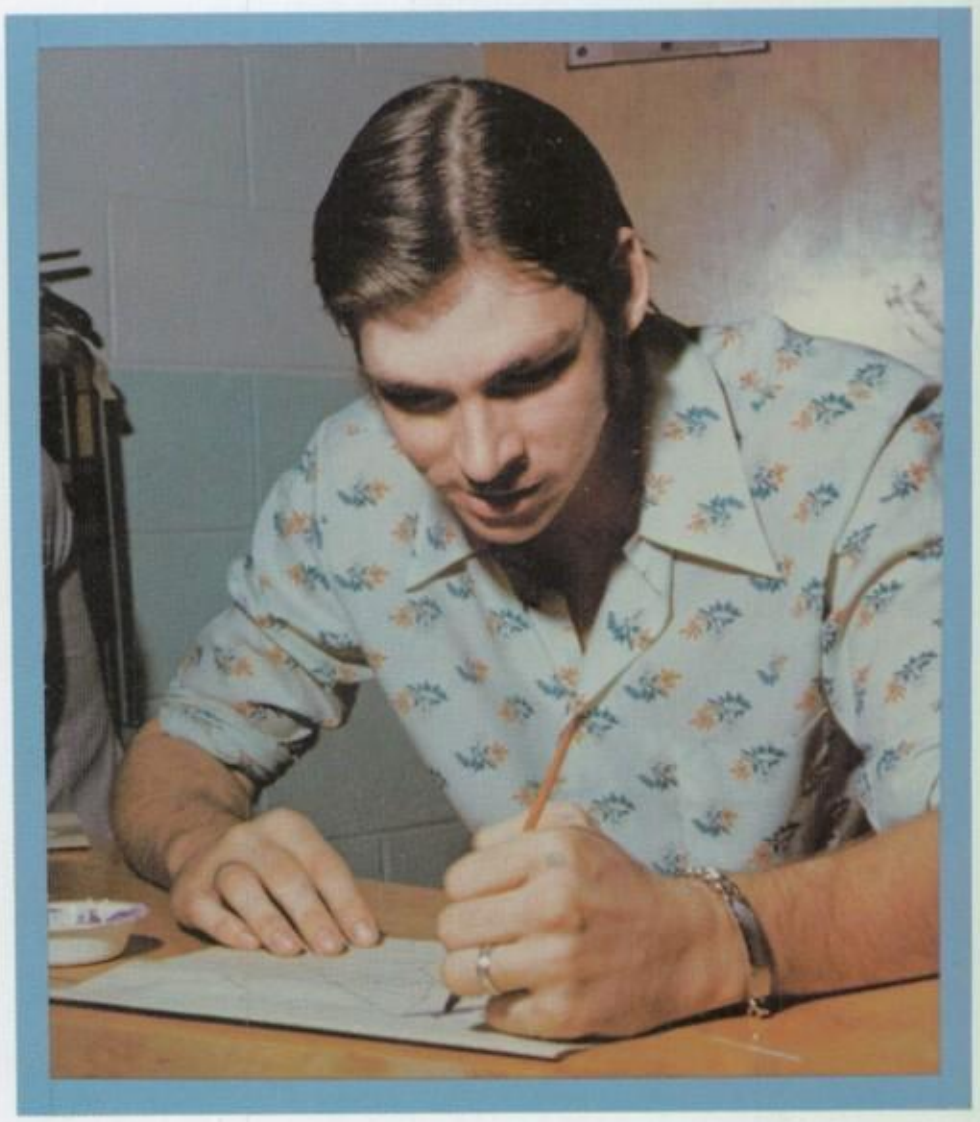
During our senior year here at West all of us who knew her lost one of our good friends: Barbara Ann Horn, who passed away October 5, 1976.

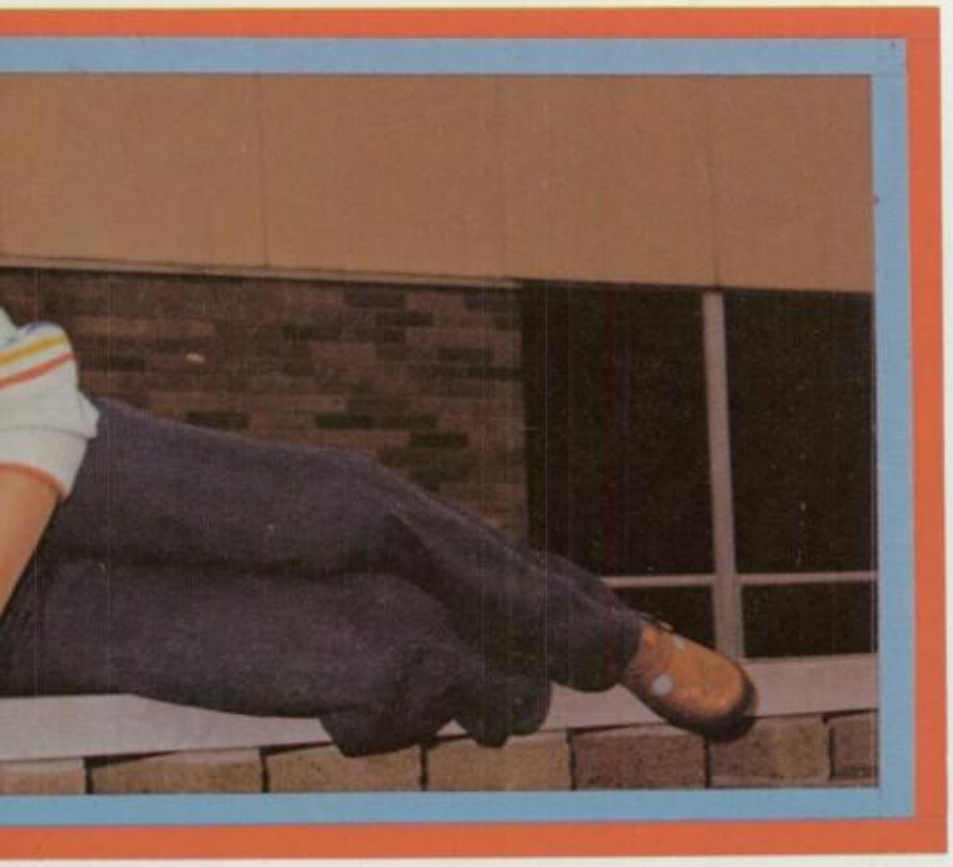
She was a girl with an indescribable smile and an easy going manner that attracted many friends. Barb was active in the girls' basketball team in her sophomore and junior years.

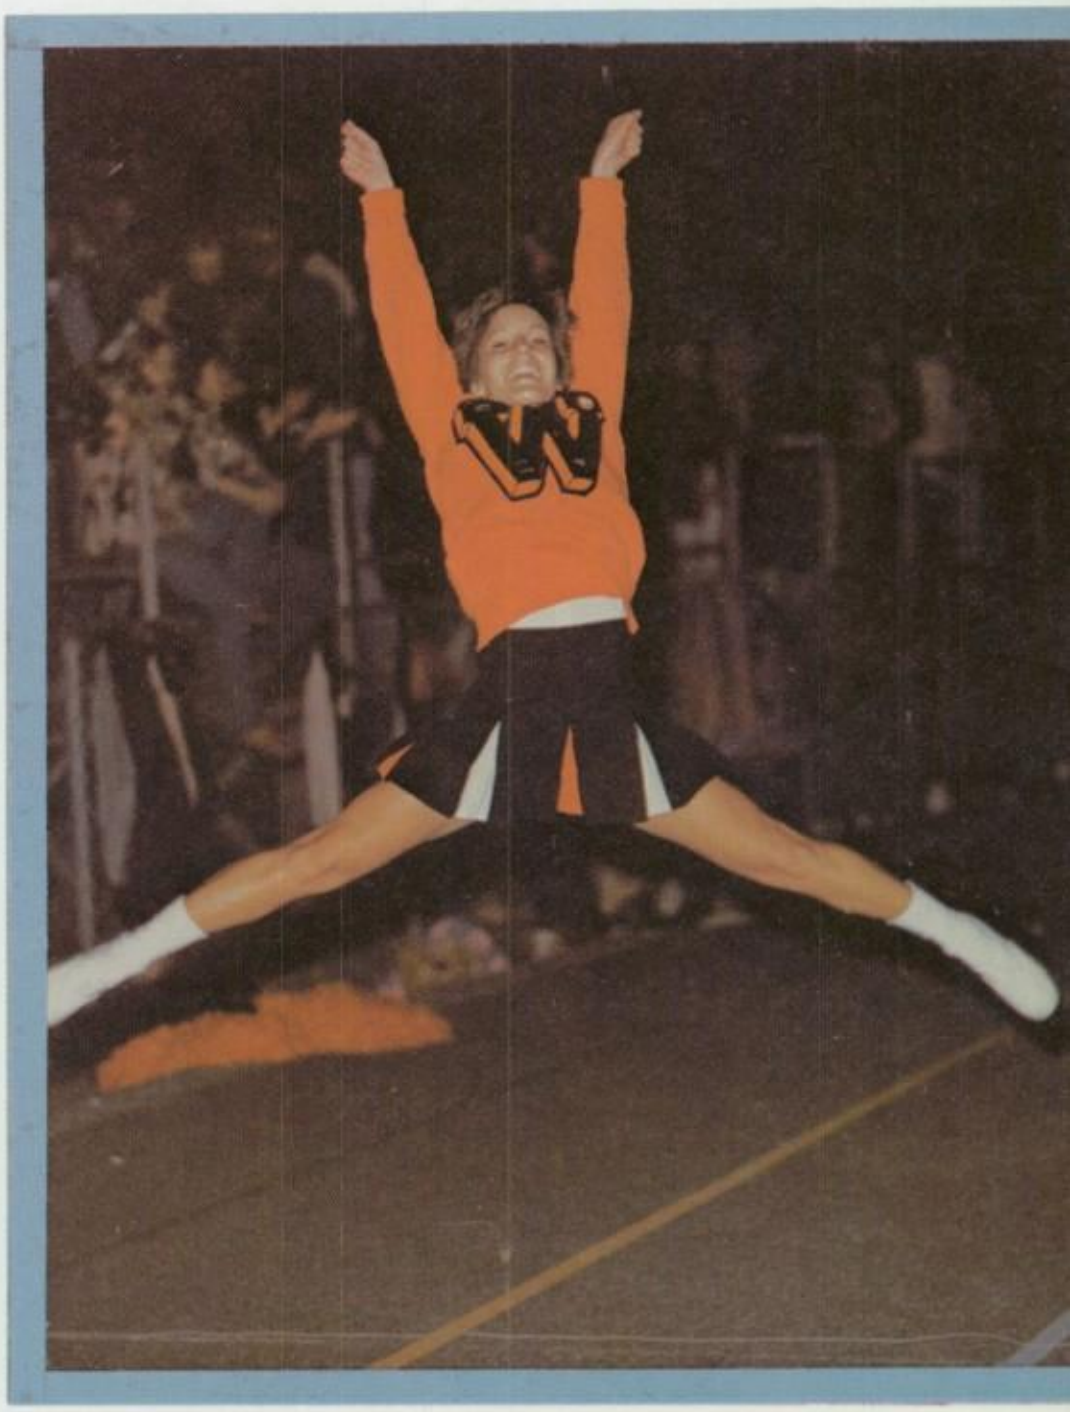
Hopefully all of her friends will keep her in mind when thinking back on their school days.

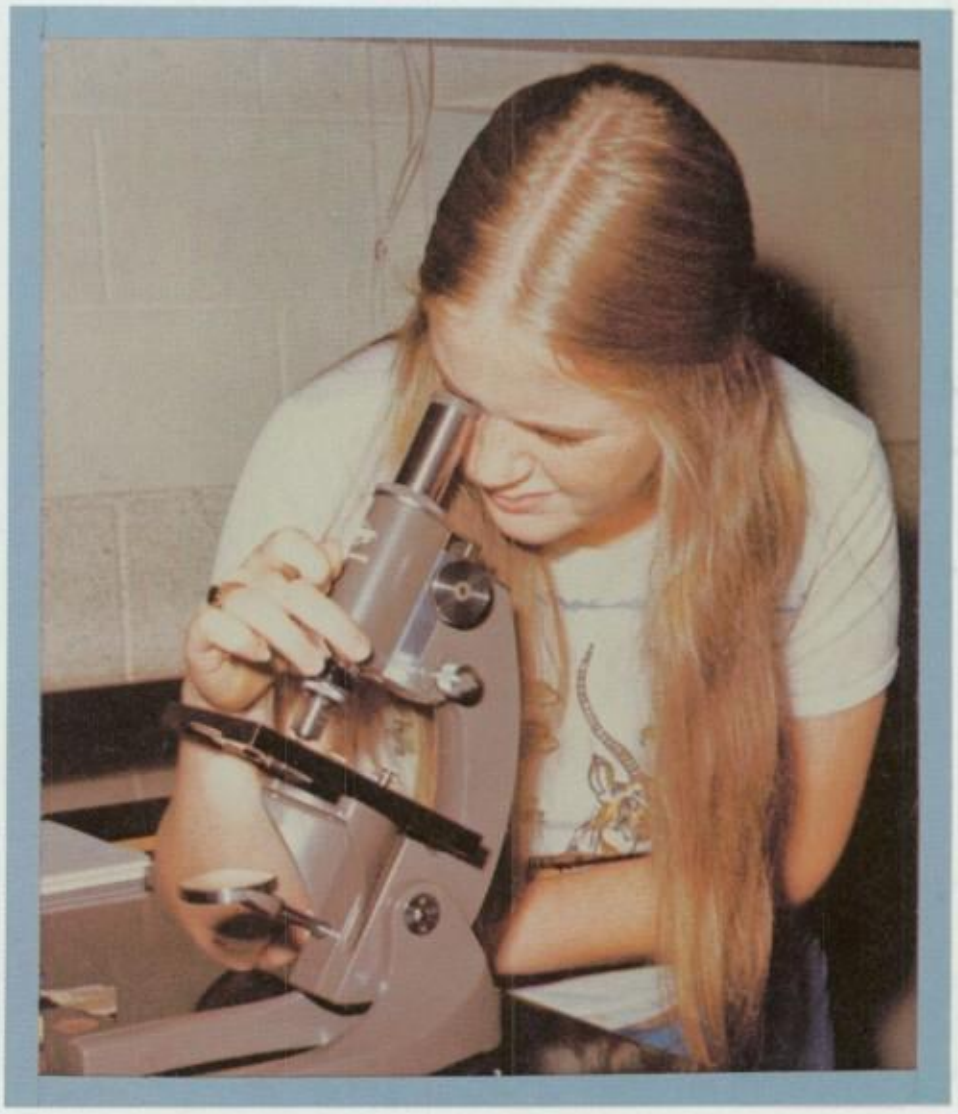
On these two pages Barb is captured in some of her happy moments.

Each in our
own way...
doing the best
we can with
what we have.

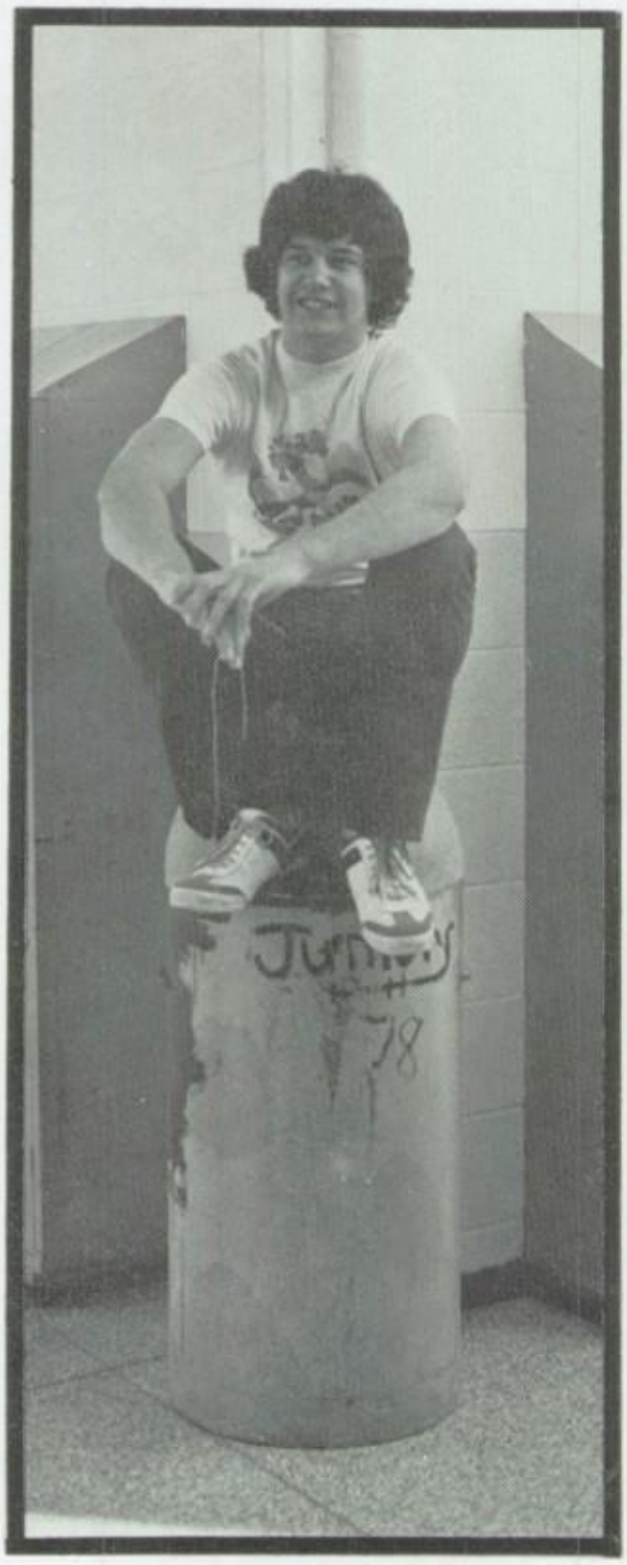








A DAY IN THE LIFE OF...



Anyone who looks can find a place for himself at West. Classes and school related activities provide everyone a chance to contribute.

From learning the lessons of the American Revolution through reinactment in political science to Varsity Club initiation; or, just "flakin' off" in the lobby, each of us make our mark.

HOMECOMING ignites spirit

The students were enthusiastic this year during Homecoming Week. The students competed like pros on the activities nights, and the halls were artistically decorated complete with shaving cream.

The pep assembly capped the class festivities, and the competition was fierce. The Seniors captured top honors.

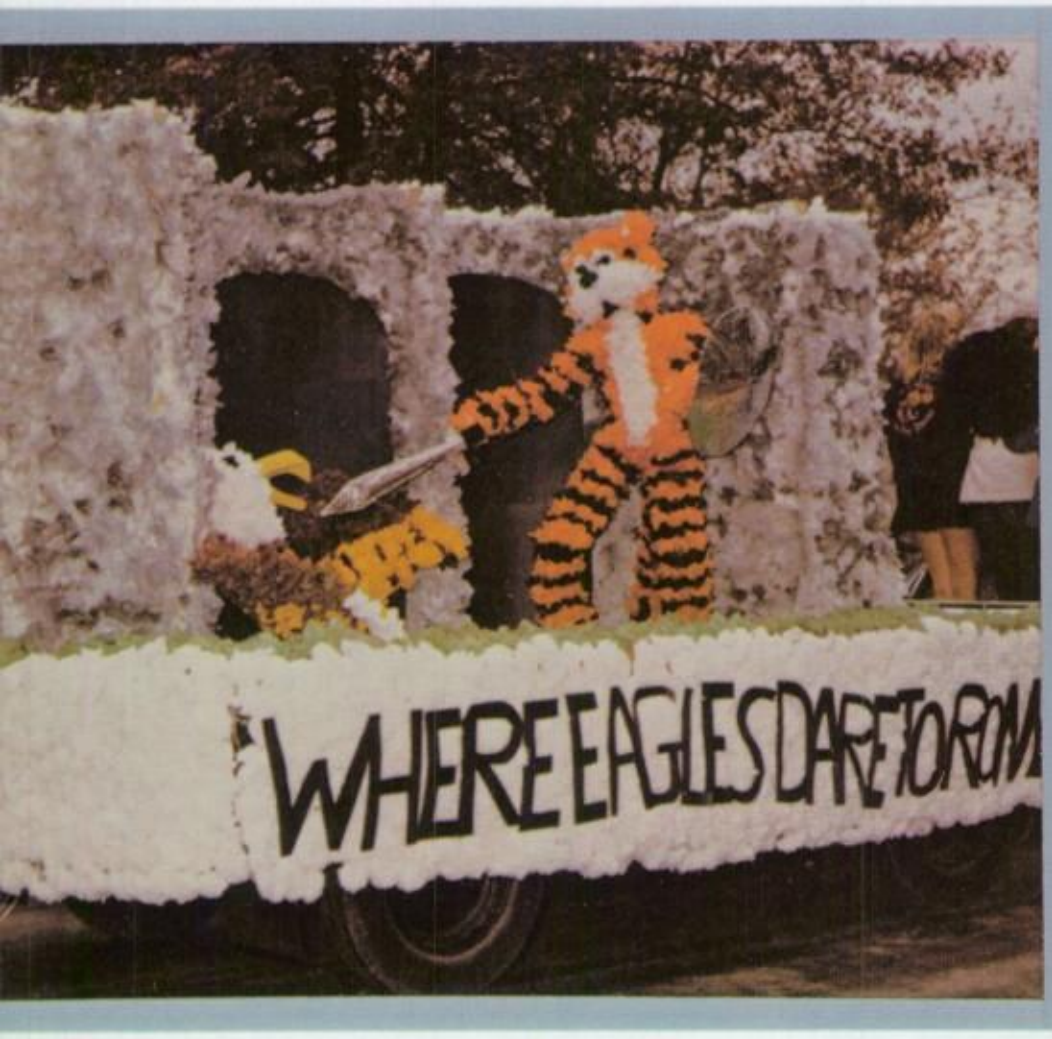
"Roman" For A VICTORY



The Homecoming float class competition this year was very close. The floats were decorated based on the Roman theme which captured the weeks festivities.

The senior float took first place in the judging this year. Marsha Gross volunteered her garage for the project. The juniors captured second place. Their float was built at Janet Huhn's house.

Although the sophomore float placed third, the work put into it's construction at Darlene Holt's was extensive. The sophomores pooled their efforts to learn what West class spirit is all about.

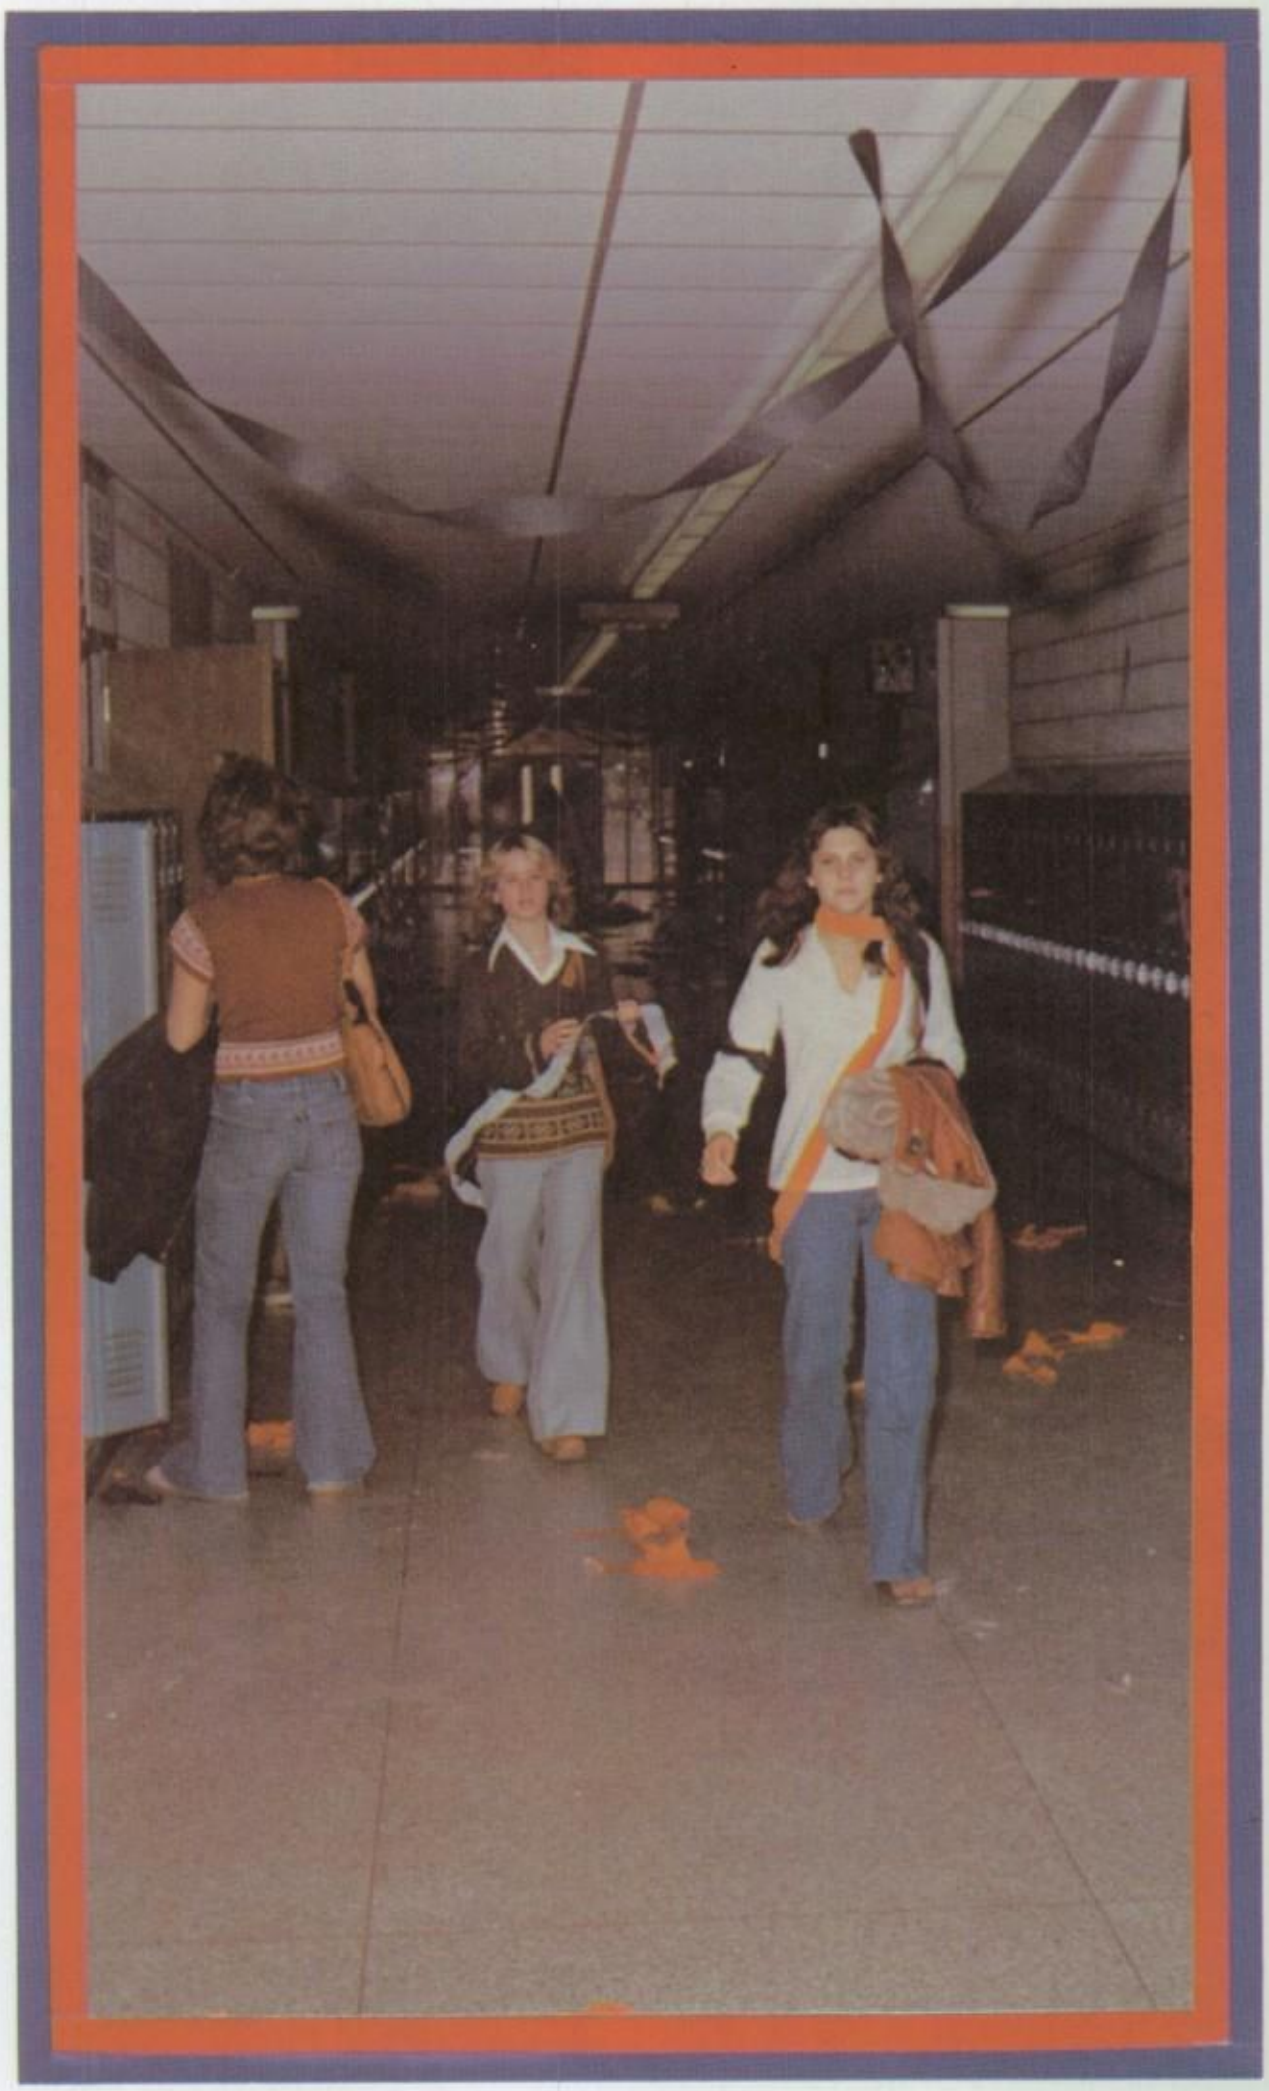
Classes Compete In a Week Of...

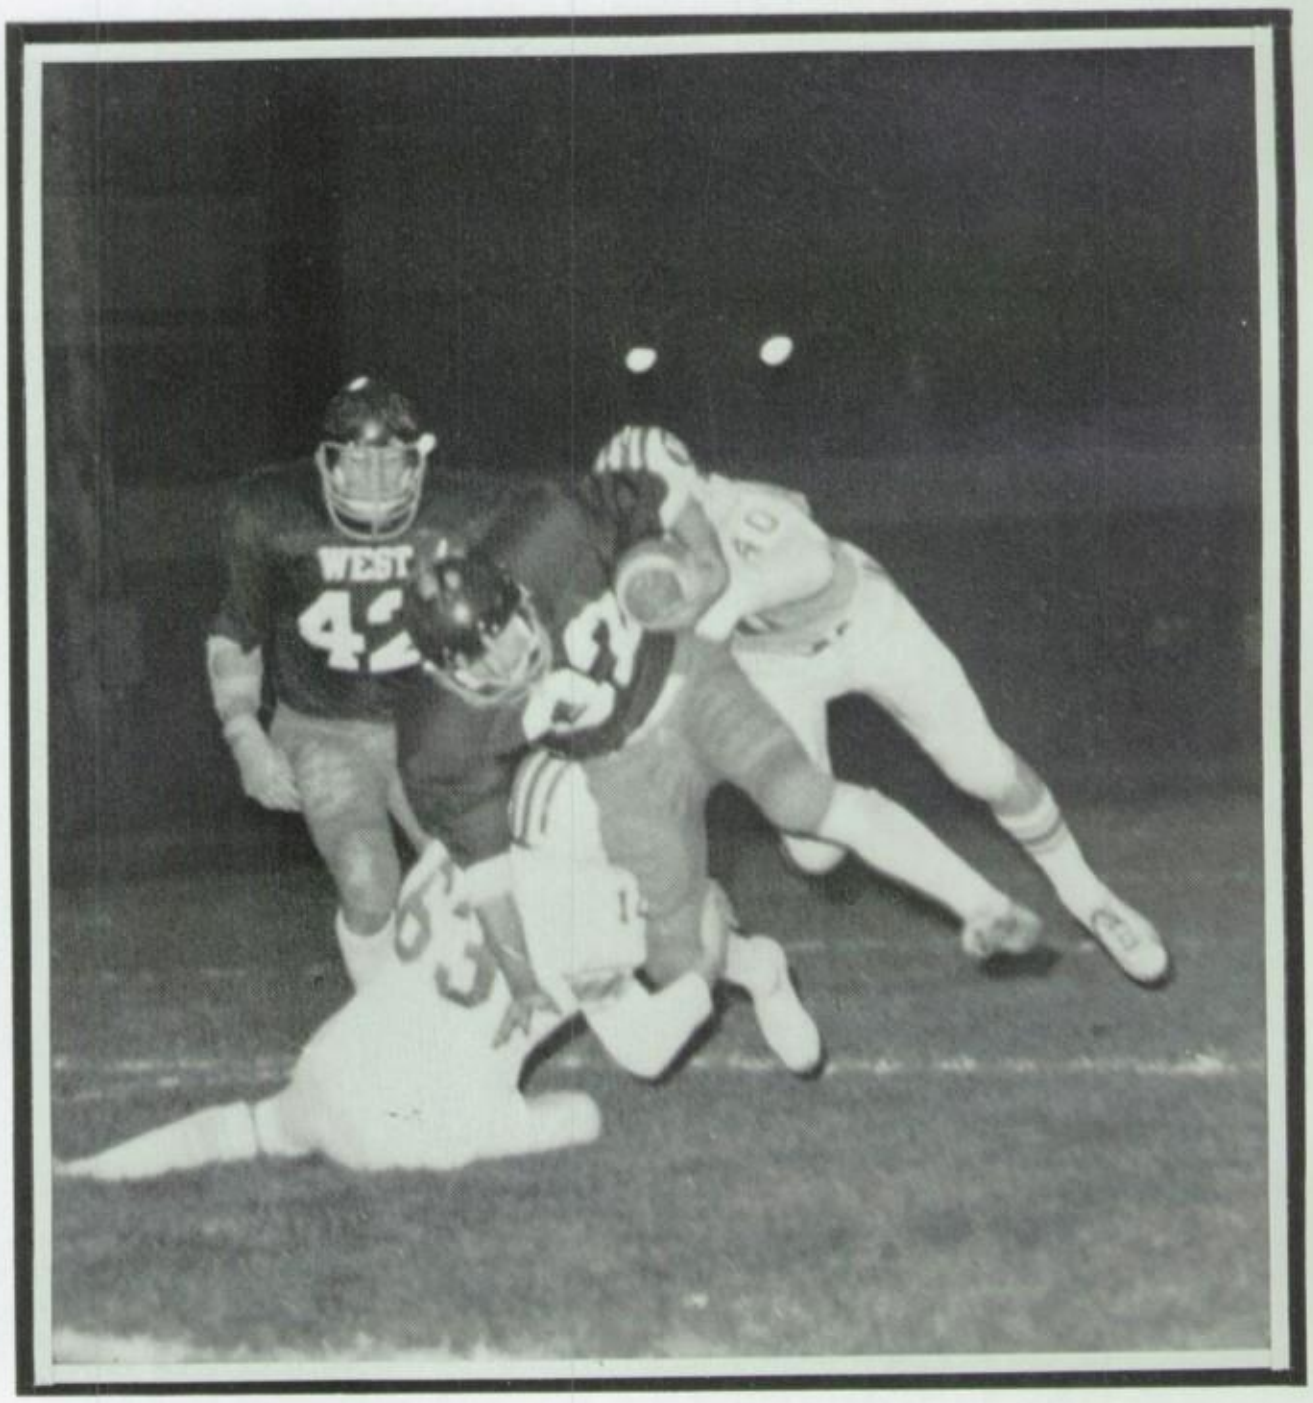
CHALLENGE

During the week of Homecoming West High students experienced many challenging events, one such event was the competition of each class in hall decorations. All the classes worked very hard the night before to get their hall ready for it's debut the next day. The Juniors, second place, and the Seniors, third place, were defeated by those ever surprising Sophomores in hall decorations.



Another event that took place during Homecoming week was car decorations. Senior, Leslie Haling walked away with first place in the car decorations. Many students and bystanders of Garden City watched the Homecoming parade as it began at Hubbard and went west on Marquette and finished in West's parking lot. These are just a few of the exciting events that students will well remember during Homecoming week at West.

Tigers Stopped



This years Homecoming Game against Taylor Kennedy ended in defeat for the Tigers. The Tigers scored in the 2nd quarter on a 21 yard run by Mark Downey. Downey also had 5 carries for a total of 38 yards. Greg Shinsky led the rushing with 100 yards in 14 carries. Shinsky also led with 14 tackles, followed by Kris Simonian with 10.

The Kennedy Eagles scored in the 1st, 2nd, and 3rd quarters for the total of 20 points. The game ended with the score of 20-6, Kennedy. Although the game ended in defeat, it was a memorable evening for Tiger fans old and new.

A Nite at the Forum

The highlight of this year's homecoming was the dance, Forum Fantasy, on October 22 from 7:30 to 10:30 p.m. Even though the football team lost the game on Friday night the people were still full of fun Saturday night.

Enjoying the sounds of the Peyote band, hired by the senior class, one-hundred and sixty students from West and other schools mobbed the dance floor.

The decorations were put up by some willing students that donated their time to help make the dance a success. The gym was decorated in a Roman Times theme.

ON WITH THE SHOW

The West Side Singers are the elite of our music department. Sixteen strong voices practice regularly to perform at musical events. They appear at the school variety shows, Kalideoscope and Spring Thing.

During the month of December, they spread joy as they traveled around the Detroit area. Performances were given at the Good Hope Lutheran Church, veterans hospital, the Fisher Building, CNB building, Christmas concerts, and nursing homes.

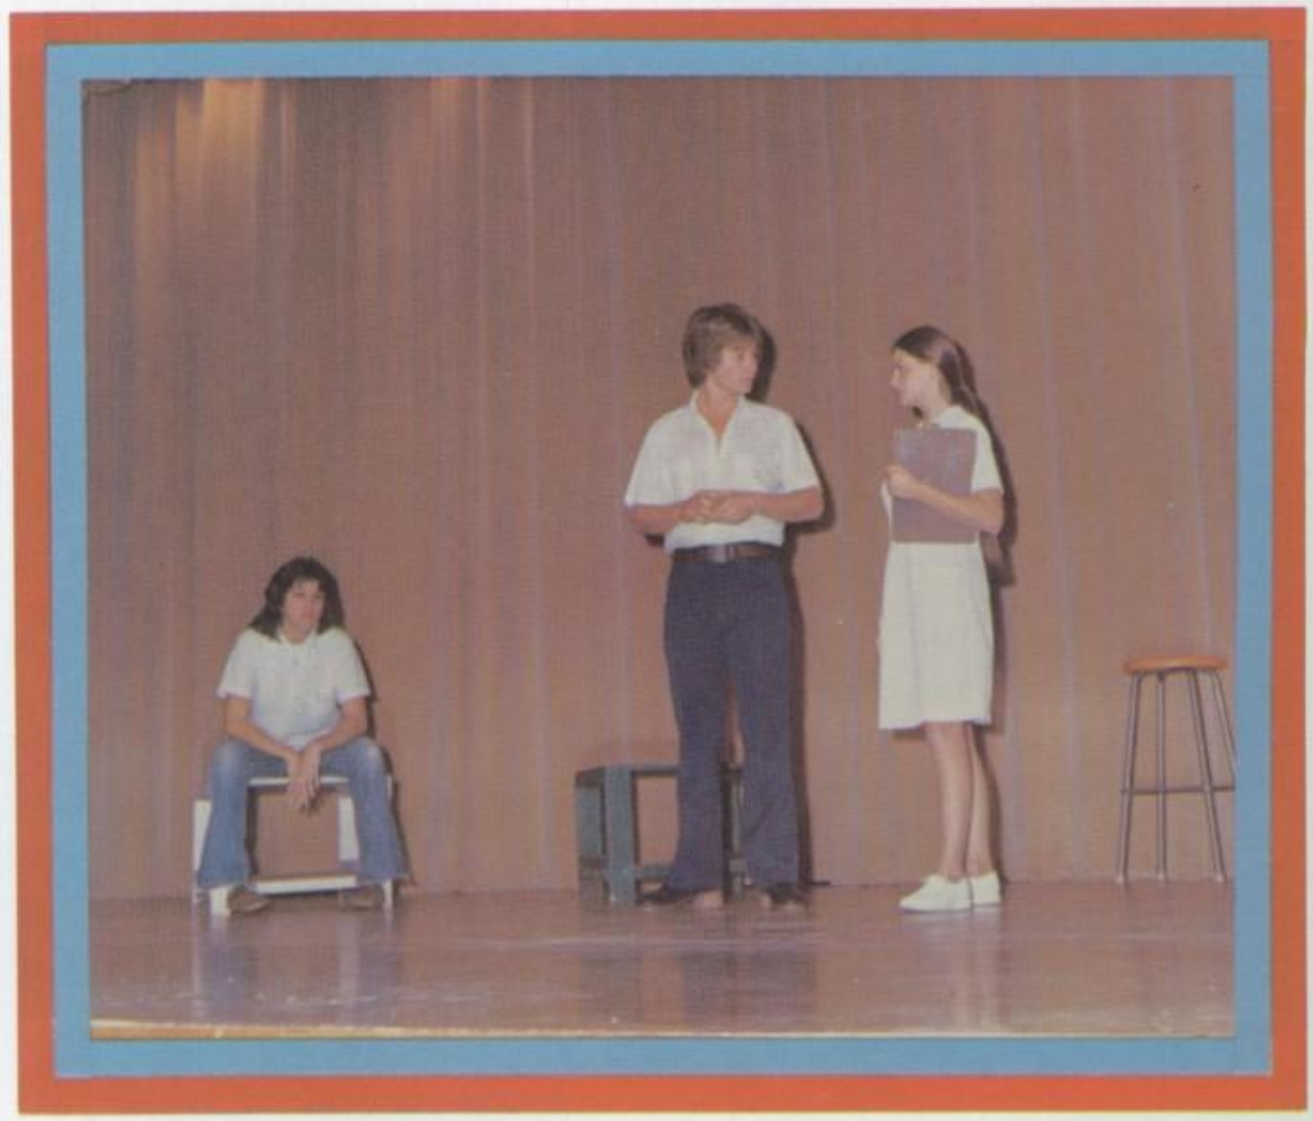
THAT'S ENTERTAINMENT

The traditional fall variety show, Kaleidoscope, was again one of West's successful productions. This year as in the past, West Side Singers performed a medley of songs from the 40's, "Smiles," and the choir did selections from the Broadway show "Caberet."

One of Kaleidoscope's featured attractions was a magic act, other acts included singing, dancing and what would any variety show be without a few comedy acts.

The Resto Brothers played a duet, the majorettes did a baton routine, Randy Herkness, Darla Musulin and many others sang solos. This year Kaleidoscope had an all girl trio composed of E. J. Wager, Tina Kerstetter and Karen Mosier and a duet by Michael Curtis and Julie Draper.

This year like every year since Kaleidoscope existed, the show was directed by Mrs. McNutt and produced by Mr. Ainslie.



Mr. Ainslie, Choir Director

West's choir had many opportunities this year to show off their singing talents.

Kaliedoscope, the school's variety show, was the choir's initial performance. Following this November showing, the group moved into the Christmas season with various community shows, highlighted by the annual Christmas concert.

In the spring, the choir performed in the various junior highs to support for the project.

This year's Varsity cheerleading squad attended camp at Ferris State in the month of August. At the camp they took a first and fourth place in competition. The squad consists of 5 seniors and 3 juniors.

The Junior Varsity Cheerleaders have been a busy squad this past year. To raise money to help pay for their several expenses, they have had car washes and paper drives. During the summer, they attended Malone College Cheerleading Camp in Canton, Ohio. While they were there they won a second place ribbon in the cheerleading competition and a first place ribbon for their pom-pon routine.

The squad consists of four juniors and four sophomores.

Cominghome initiated its second year with a week of stirring competitions and activities. Classes participated in floats, wall decorations, and activities nights. Seniors stole first place in float and decorations, with the Juniors in second, and the Sophomores did not have a float entry.

Among the spirited activities were a banana eating contest, a tug of war, and shoe kicking. Seniors took first place in that also. Juniors were again second, and the sophomores finished third. A week of events proved this year's Cominghome to be the best ever.

Greg Shinsky Crowned

The crowd was silent as the drum rolled to announce the 1977 Coming-home King. A faint smile came to the face of Greg Shinsky as he heard his name announced over the microphone.

Greg has been active in the sports world. He has a very impressive background as a football and baseball player. He is also active in intramural sports. His ability as an athlete is obvious as he has five varsity letters to his credit.

The other members of the court included: Al Brackett, Mark Boyd, Dan Carr, Keith Gramke and Ray Galecki. All the members of the court excelled in different areas of high school activities.

BELLS ARE RINGING

This year's comedy musical, "Bells are Ringing", revolves around an answering service (Susanswerphone), owned by Sue Summers (Julie Draper).

Sue's cousin, Ella Petersen (Lori Roffi), becomes involved in the lives of her customers. In one scene Ella portrays Santa Claus to a little boy and a mother to Jeff Moss, a playwright, (Michael Curtis). Although Jeff and Ella have never seen each other, they fall in love over the phone.

In other action, Sandor, a con man, (Randy Herkness), persuades Sue to give him her life savings. By doing this, Sue, Ella, and Gwinne (Melody Watkins) are unknowing contributors to Sandor's bookie operation.

This year's musical was the only public theatre performance given by West students this year. The traditional fall play was eliminated due to program cuts, and no spring play is anticipated.

Most people never take the time to look at the people behind the scenes. Wrestlerettes and Aquamaids are a very important part of the wrestling and swim teams. Without the time and effort these girls contribute, the team stats and morale could not be kept up.

Not only are there Wrestlerettes and Aquamaids there are Bat Girls, for the baseball team, and last but not least the Cheerleaders who cheer our football and basketball teams to victories.

CLASS MOTTO: By Tina Kerstetter

"Yesterday is only a dream. Tomorrow is only a vision, but today well lived makes every yesterday a dream of happiness and every tomorrow a vision of hope."

"Destiny"

The final door has opened,
and enter it we must.
The future now is in our hands.
The world is in our trust.
A golden key belongs to us,
But life insists on dues.
We can unlock our mysteries
Or shun them if we choose.
Then to who will fall
The tasks that we have earned?
What good will then become
Of the things that we have learned?
We can't forsee our destiny.
We'll follow where it leads.
We must learn to live,
Life won't change to fit our needs.
Looking back at former years,
Today's a day of prime.
We've come so far, yet look ahead;
It's just an etch in time.
The world is waiting now
And we've a role to play.
Our new lives are beginning.
Old things pass away.
Childhood now is ending,
We'll trod a brand new road.
We can never hope to turn back,
Down the pathways we once strode.
We know not where we're going
But we know we're on our way.
Can we earn one more tommorrow,
By the things we'll do today?

CLASS SONG: Old Days
by Chicago

Old days
Good times I remember
Fun Days
Filled with simple pleasures

Drive-in movies
Comic books and blue jeans
Howdy-doody
Baseball cards and birthdays

Take me back
To a world gone away
Memories, seem like yesterday

Old days
Good times I remember
Gold days
Days I'll always treasure

Funny faces
Full of love and laughter
Funny places
Summer nights and streetcars

Take me back
To a world gone away

Boyhood memories seem like yesterday
Old Days

On my mind and in my heart to stay
Old days darkened dreams of good times gone away
Old days, days of love and feeling fancy free
Old days, days of magic still so close to me.
Old days, on my mind and in my heart to stay.

Organization

LEADERSHIP Displayed Two Ways

Student Government has many activities planned for this year. This organization meets weekly to discuss possible pro jects to promote spirit in the school. Each class has eight representatives to voice all points of view.

Some of the activities included carnation sales, dances, blood drives, Muscular Dystrophy collections, and the traditional Cominghome activities. The Lynwood Day Memorial Court is also maintained by the student government members.

The officers for this year are: Joan Maggioncalda, President; Janet Webley, Vice President; Maak Boyd, Recording Secretary; Ray Galecki, Treasurer; Faye Morris, Corresponding Secretary; Beth Dougherty, Scheduler; Daniel Carr, Parliamentarian

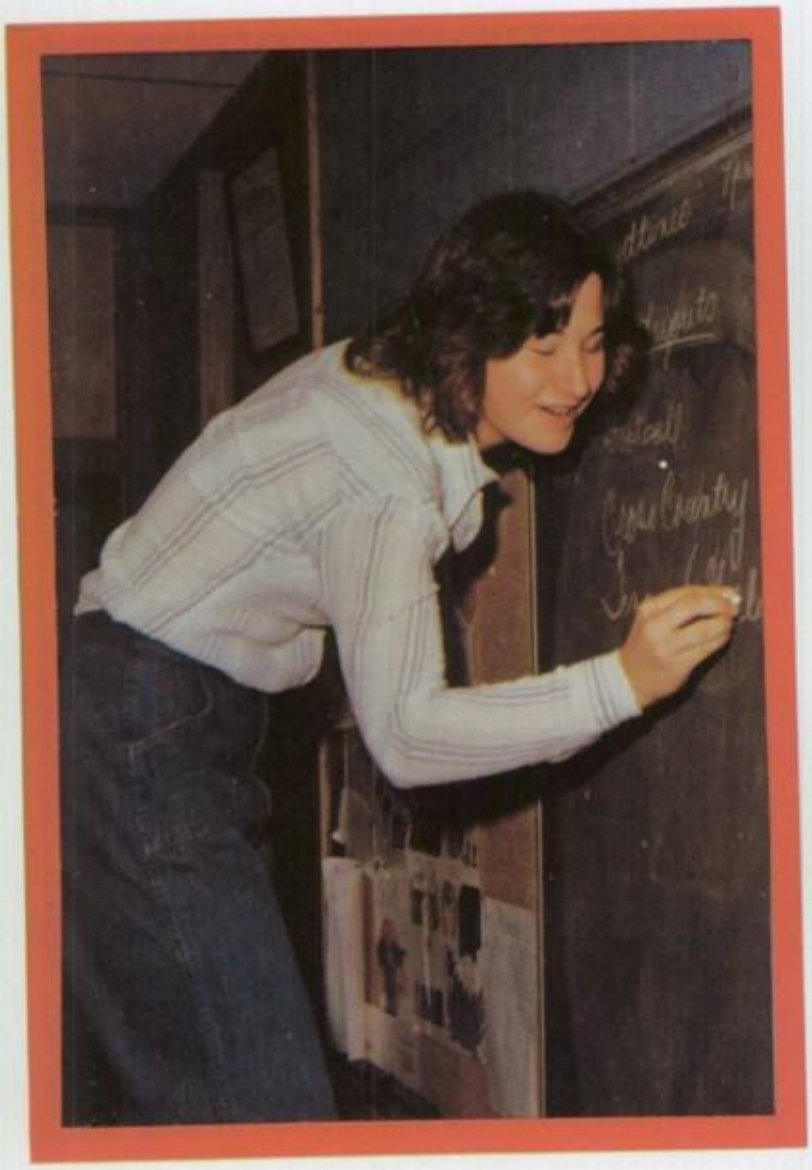
To meet the requirements of being accepted into the National Honor Society, a student must meet a very high standard of quality. Acceptance is based on the categories: scholastic achievement, character, service and leadership. There are semi-annual inductions which allow a student two opportunities per year to be accepted.

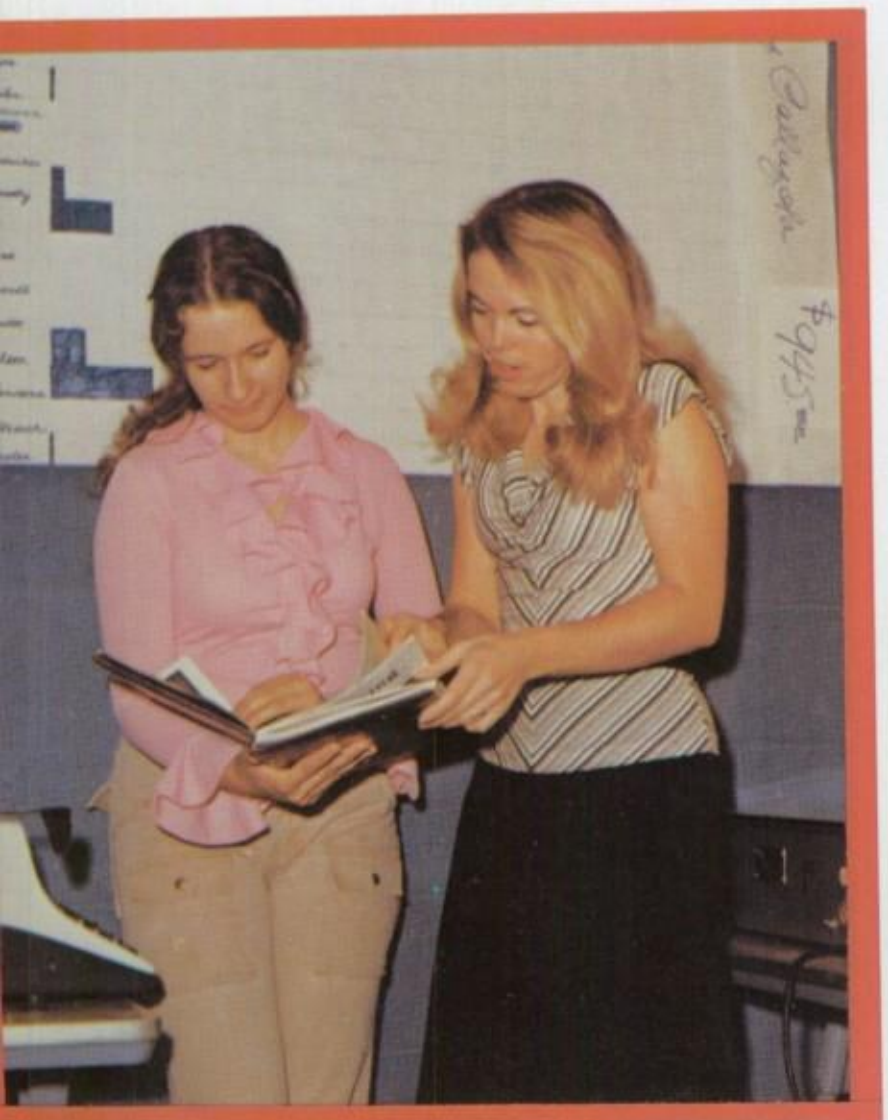
The purpose of the N.H.S. is for students to have the chance to aid their community. The members get together to form service projects of various types. Some of their projects include raking leaves for disabled people, ushering for school events, cleaning polluted areas, and Christmas Caroling.

The N.H.S. also performs fund raising projects throughout the year to raise money for flowers and pins, needed for their induction ceremonies.

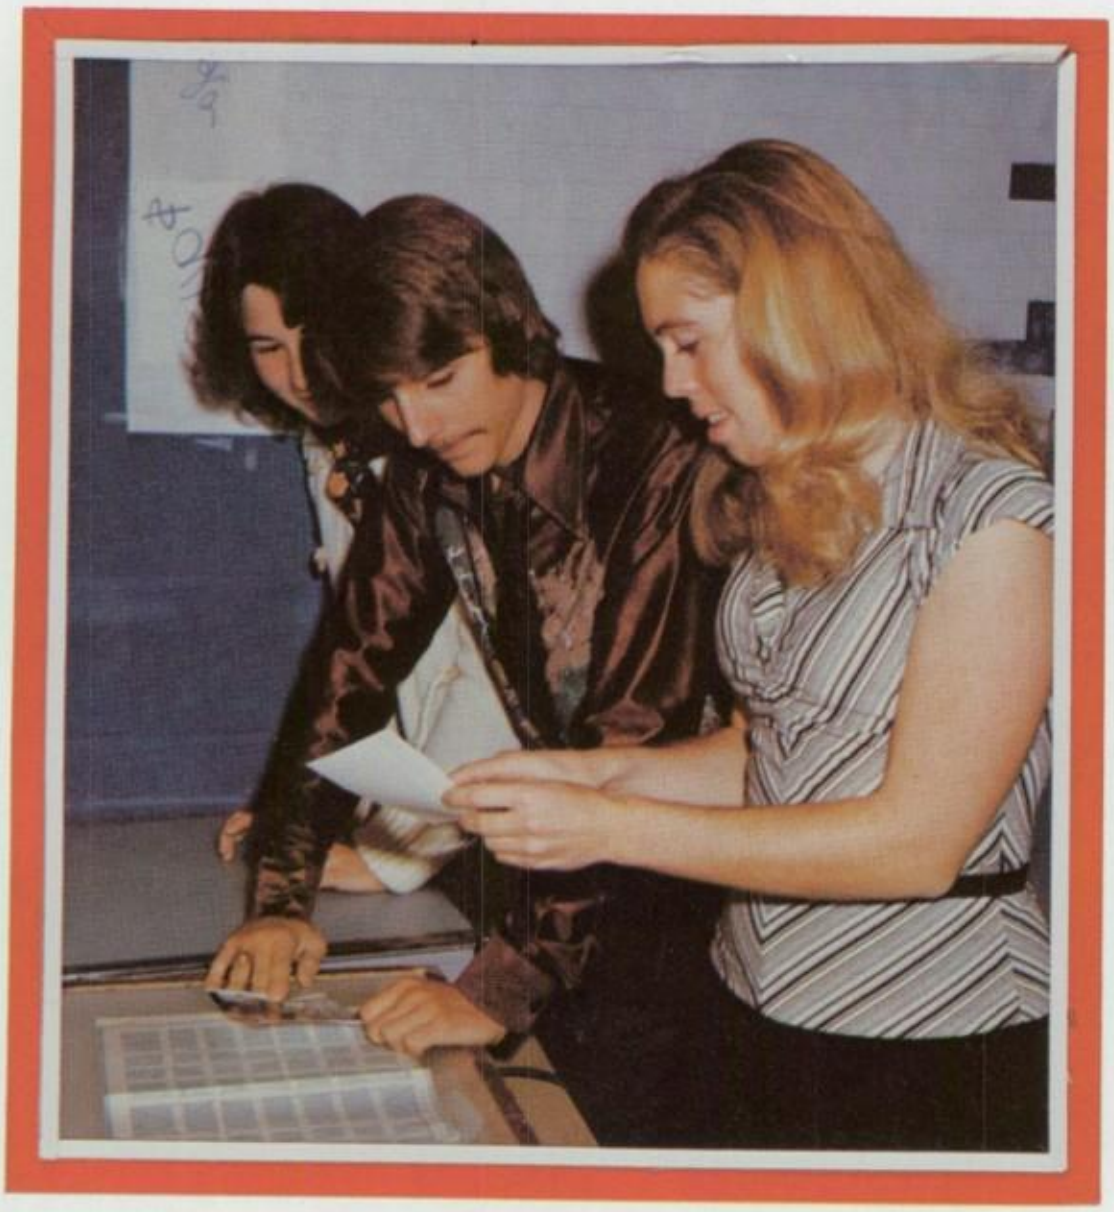
Forty-nine members are active in the club since the fall induction, and more are accepted in the spring. Among the people inducted in the spring, their will be only two sophomores, as in the past. The fall inductions included: Christine Anderson, Curtis Bastinelli, Timothy Bennett, Mark Boyd, Alan Chambo, Carrie Cole, Diane Derderian, Raymond Galecki, Deborah Hanchett, Jeanne Huhn, Diane Jablonski, Robin Leckner, Donna Looney, Joan Maggioncalda, Pamela Maynard, Caterine Miles, Karen Peterson, Pamela Radford, Luis Resto, Patrick Sandrick, Gregory Shinsky, Eileen Sinclair, Carolyn Stone, Diane Sylvester, Cindy Thompson, Laura Watson, Rosemary Wilcox, Pamela Wilkins, and Steve Wood.

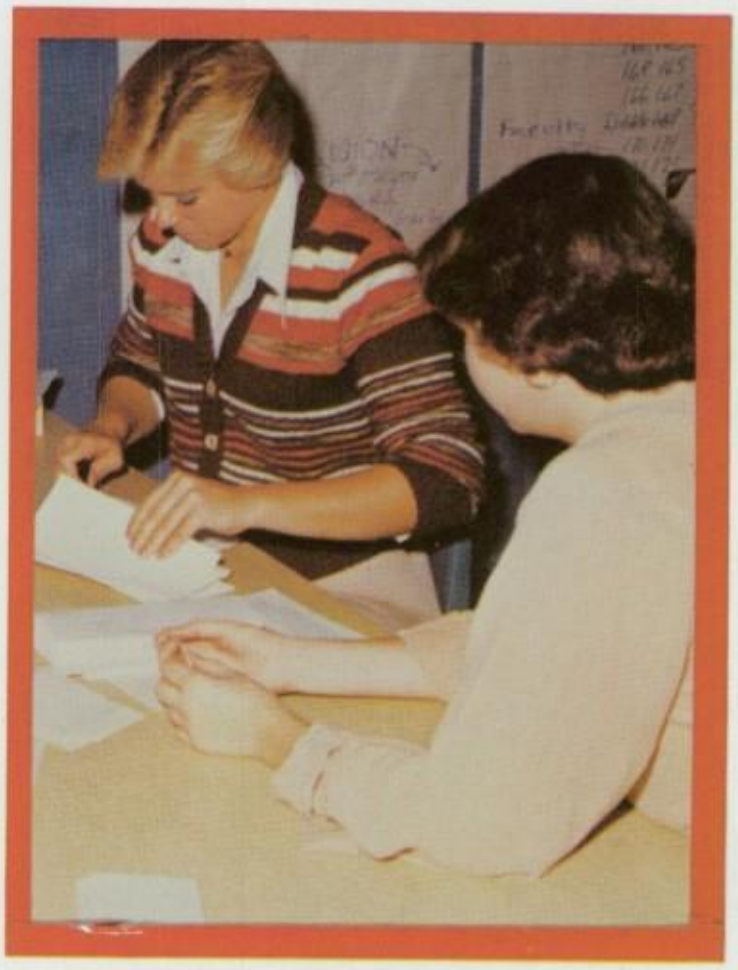
Yearbook





Blood, Toil, Sweat, and Tears





To high school students, perhaps the most anticipated publication of the school year is that of the yearbook. Contained therein are friends and events which once upon a time, were very important. And, of course, there are memories. This is probably the reason that yearbooks are kept for a lifetime; hence, the appropriateness of West's publication, Heritage.

Under the qualified leadership of Adviser Mary Brammer and of editors Unise Horton and Ray Galecki, the Heritage '77 staff reached into the depths of their inner imagination to once again put forth a complete book. Horton and Galecki, along with photographer Jerry Bennett and layout specialist Diane Derderian attended a workshop during the summer at Delta College to bring additional abilities to their already sharpened skills.

Marie McLellan advertises the PAPER TIGER

The year at Garden City West the world of journalism experienced numerous changes, giving it a new look and a new style from last year's successful "FOCUS" publication.

The first notable transition occurred when Mr. Rocko Mazaro, a veteran in the writing field, was slated as the new chief advisor. Mr. Mazaro has taught at various Garden City Schools the last of which was Burger Junior High School in 1975-76.

A significant change was made in the name "The Paper Tiger", chosen by the Journalism II staffers from a host of titles. Another change was made evident was the drastic reduction in the size of the staff.

Though unusually small in number, the "Paper Tiger" journalists attempted to bring West students news, features, and editorials of relevance throughout the 1976-77 schoolyear.

The paper was co-edited this year by Al Brackett and Wes Emerson. Marlene Balmas served as News editor, Denise Woodside as Feature editor, and Jerry Bennett captivated the surrounding via photographs.

The transformation of a newspaper was not all that occurred this past year in the journalism department. The Press Club, comprised mainly of Journalism I students worked together to produce "Quick", a weekly bulletin which proved especially useful at sporting events, as it listed teams, players, positions, and numbers. It also provided interesting information on all West sports teams in its thirty issues printed throughout the year.

Pictured here are the publication staffs in action.

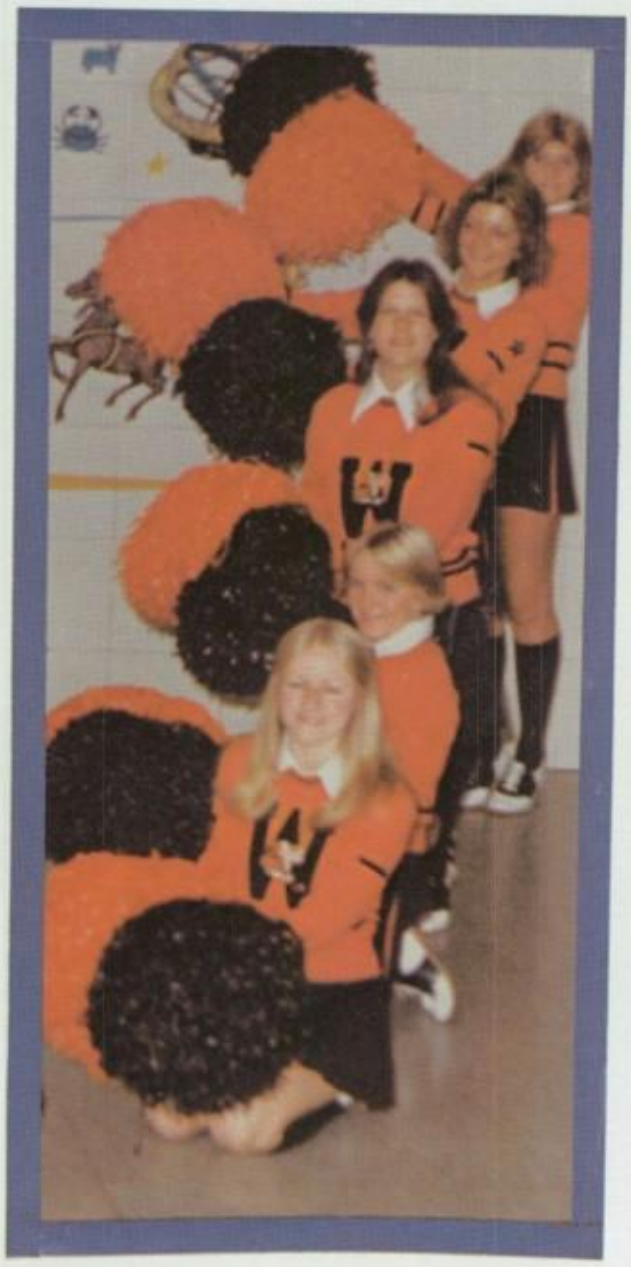
Top Row: Cyndi McDonald, Nancy Wiacek, Linda Reuter, Kathy Wilson 2nd Row: Karol Colburt, Lori Berryman, Sharon Closser, April Corey. 3rd Row: Cari Bailey, Jan Tucker, Debbie Belcher, Mary McGraw. 4th Row: Mary Diederichs, Sharon Lambert, Jeannie Gamons, Sharon Sibilla.



The Pom-Pon girls are the newest addition to the clubs here at West. The girls have had several opportunities this year to participate in area sporting events. In October the squad attended a Lions game at the "Silver Dome" and preformed in the pre-game activities. Also in the annual fall gala, Band Day at the University of Michigan.

The Pom Pon girls generally promote school spirit by performing routines at home football and basketball games.

This year's majorettes have twirled through another season performing at Football and Basketball games. They learned new routines at the Fred J. Miller Camp at Midland, Michigan. The girls attended the annual Band Day with the band and pep rallies. They have sold mugs and had car washes to build up their financial backings.

The group consists of two Seniors, three Juniors and one Sophmore.

The Tigerettes are Patty Hudson, Julie Draper, Karen Langlois, Cindy Meyers, Cheryl Kaiser, and Donna Looney.

This years Spanish Club under new advisor, Mrs. Meissner, started early in money making projects by sponsoring a pinata raffle. The brightly colored clown pinata was packed full of delicious goodies (8.00 worth) On October 29 the raffle was held over the announcements and Debbie Ulivi, an 11 year-old student of Memorial Elementary School, was chosen as the winner. In November the Spanish Club sold charm suckers and in December the group added to their funds by selling Morely Candy Bars, for the price of 50¢.

The club's goal is to raise enough money so that everyone in the club may sample a traditional Spanish Dinner at a distinguished Mexican Restaurant. Also plans have been made for a field trip at the end of the year.

This year's officers are, Laurene Pohl–President, Joe Cruz–Vice President, Darlene Vegh–Secretary, and Bridget Kelly–Treasurer.

The French Club began their year's activities by attending "The Miser" at the Wayne State's Hilberry Classic Theatre. The play was written by Moliere, known as the French Shakespeare.

The group also plans a trip to either Quebec or Montreal to enjoy the French atmosphere at the end of the year.

To finance these ventures, the club has sold candy, including candy sticks at Christmas time.

The officers are Debbie Hanchett, president; Debbie Fisher, vice-president; Debbie Schmittou, secretary; and Lori Lundquist, treasurer.

Thespians

Mrs. Constance McNutt, Thespian Sponsor

Thespians is an organization which houses those students who have worked hard for points in a variety of areas of theatre. When this is achieved, they are inducted into the club during an annual ceremony.

This year the thespians are trying to produce four shows with the first being a revised production of "One Flew Over the Coo Coo's Nest." They would also like to raise money within the club to finance a special Forensics Club.

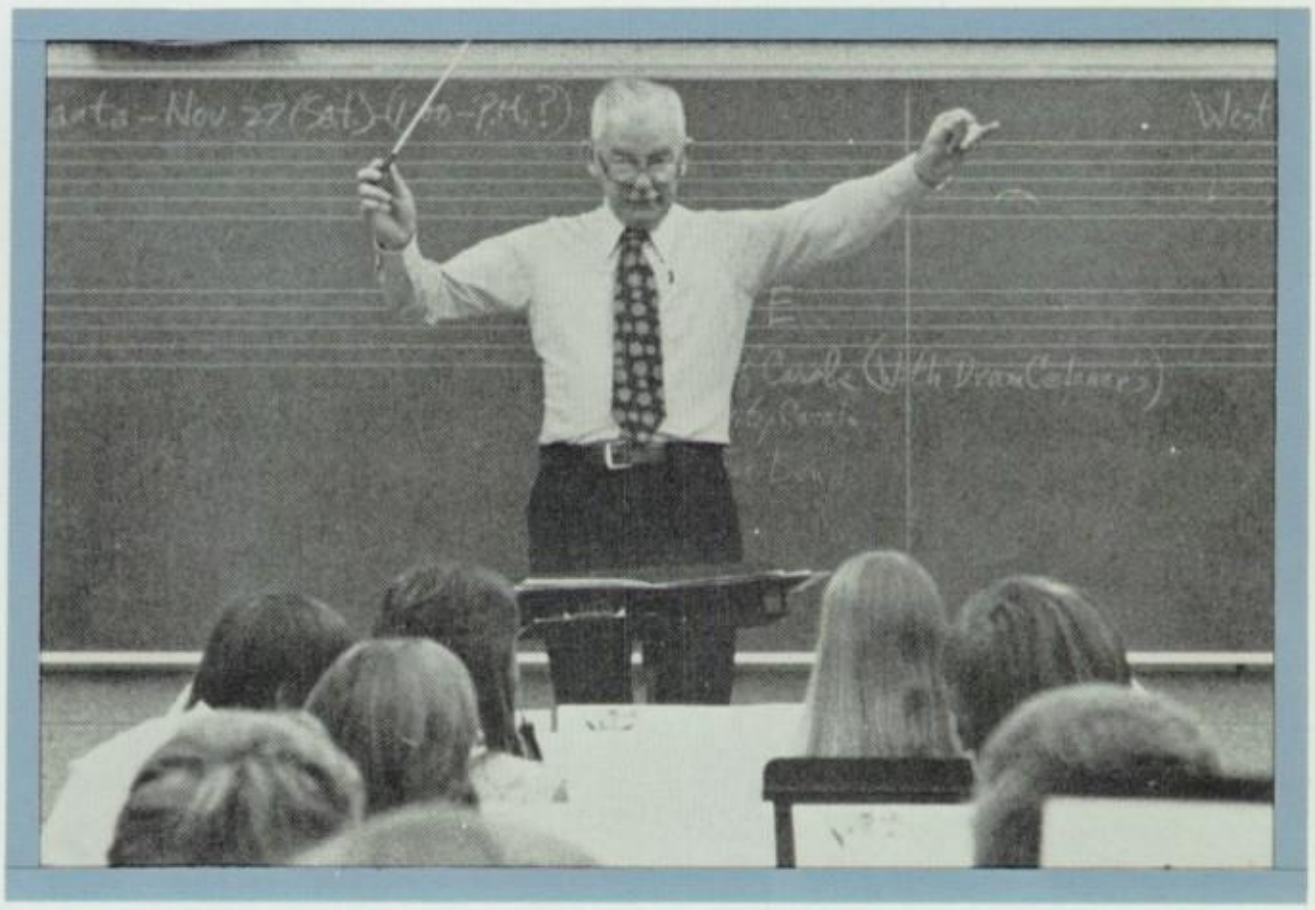
The 1976 Tiger Marching Band



Mr. Kitzman, director

Parades and invitational appearances highlighted the activities of the band this year. The musicians marched in the Bicentennial Parade during the summer as well as the traditional Santa land Parade on November 27. They also appeared at Cobo Hall, performing for the Michigan Sunday School Association and at the Band Day extravaganza at University of Michigan.

The band also involved themselves in "election '76" by greeting President Ford at Wonderland Shopping Center the day before the election. They joined nine other bands to give President Ford a campaign boost.

This spring, the band hopes to travel west, possibly to Colorado, to combine musical performances with recreation to celebrate the end of a busy year.

Library Aids get experience, credit, and grades for their work in the library.

Working with the librarians gives the aids vocational experience.

Collecting attendance cards, answering phones, and running errands are just some of the jobs of an office worker. When you accept the responsibility of being an office worker you are taking on a big job. It's more than just sitting and talking to the other workers about the new West gossip.

Each hour there are 5 to 7 students who work in the office. They run errands for counslers, the secretaries, and also Mr. Niland, Mr. Gutman, and Mr. Grant. At the beginning of every hour 3 students collect the attendance cards the teachers put out. They also work the switchboard, so if your phone call gets cut off someday you will know it was an office worker at the switchboard.

They attend area sporting events such as Lions and Pistons games. Several times a semester, the group turns itself loose in the school pool and gym.

Sportsmen

The Sportsman Club is one of the most active clubs our school has. The members consist of both males and females who like to fish and hunt. Mr. Dittmar sponsors this club, and this year he and the members have built fishing rods for their Spring fishing trips. They have been fly tying as well.

The club went down to the Garden City Police Station to clean out their firing range, and there they had the opportunity to shoot .22 caliber rifles.

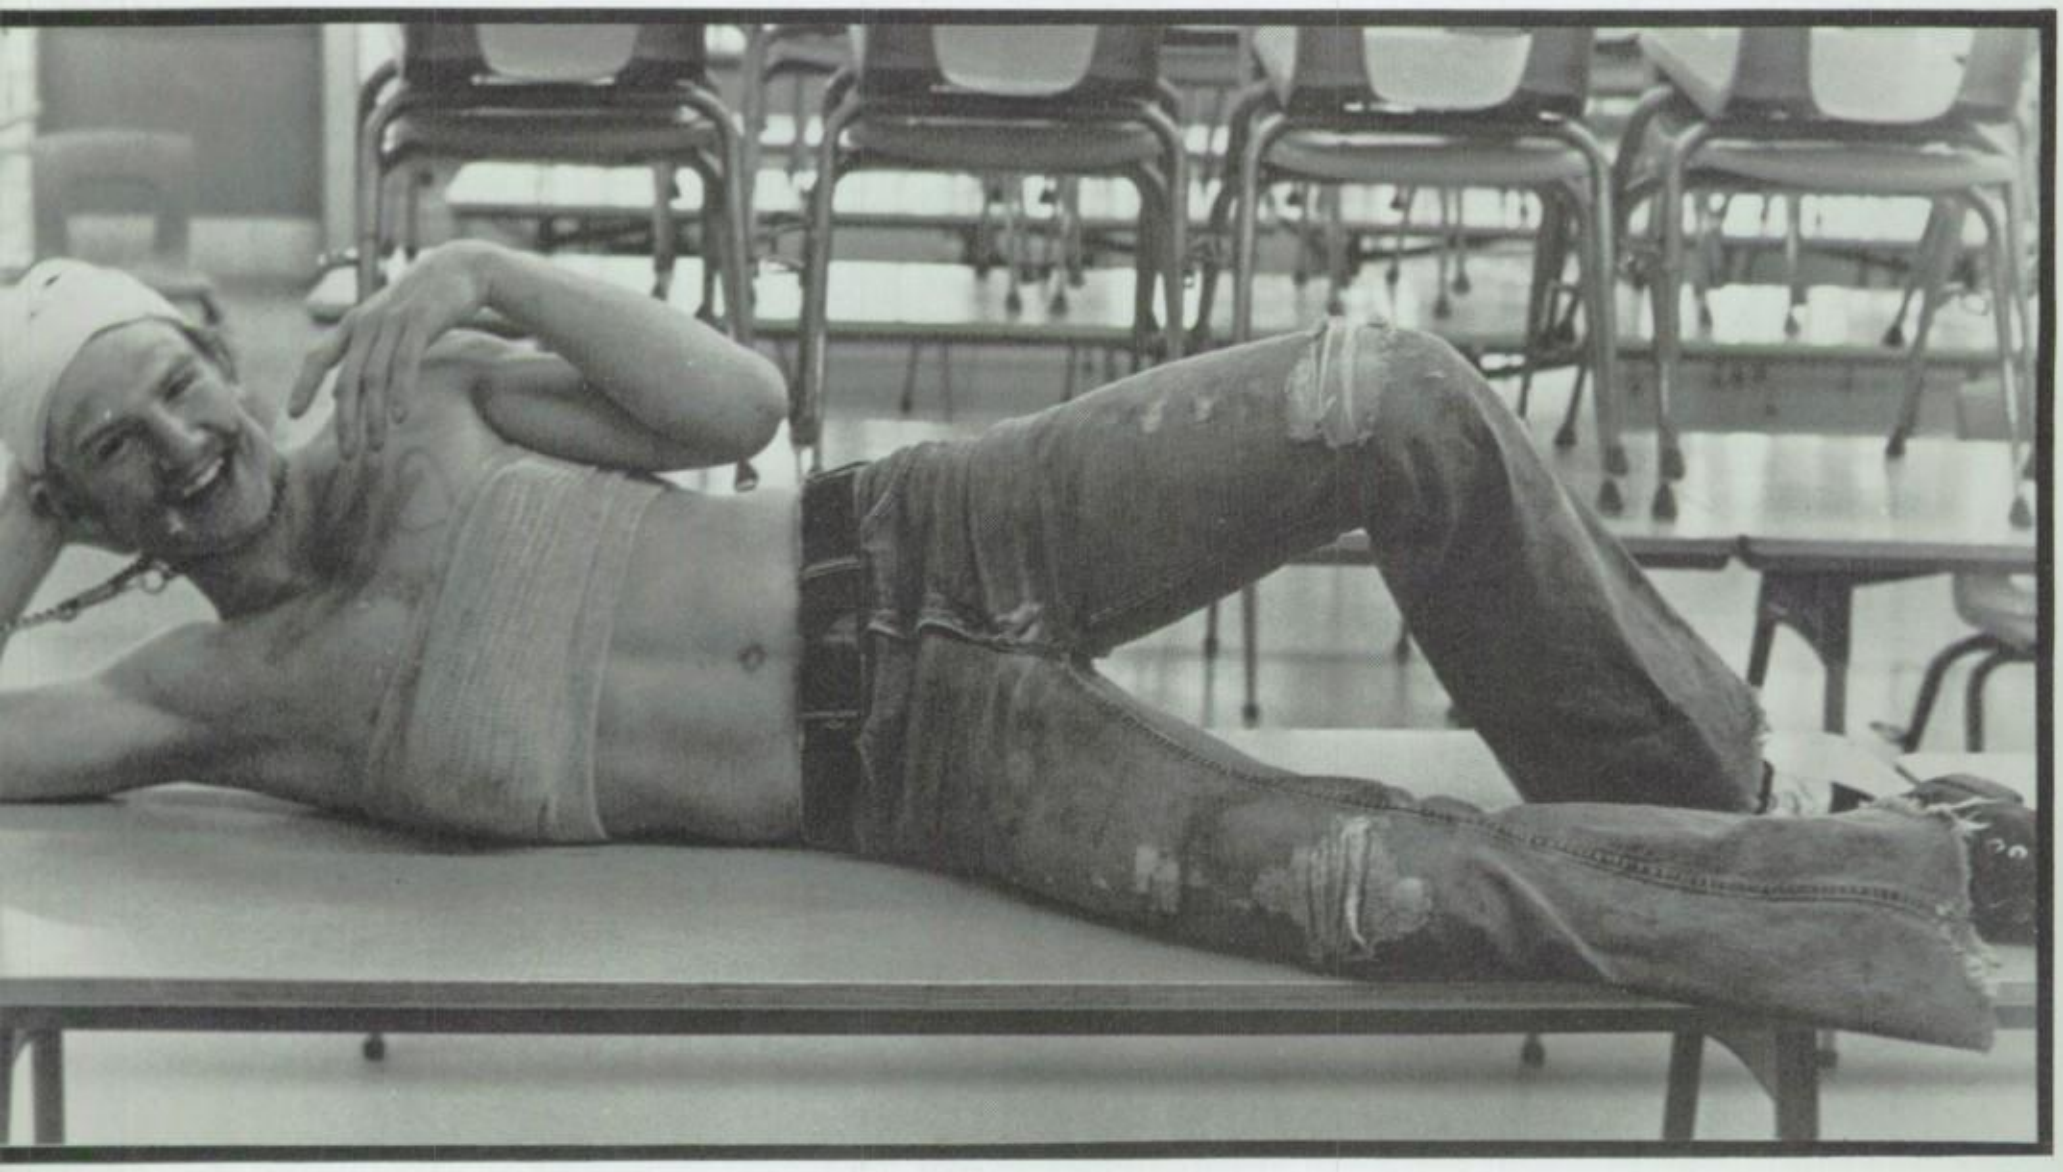
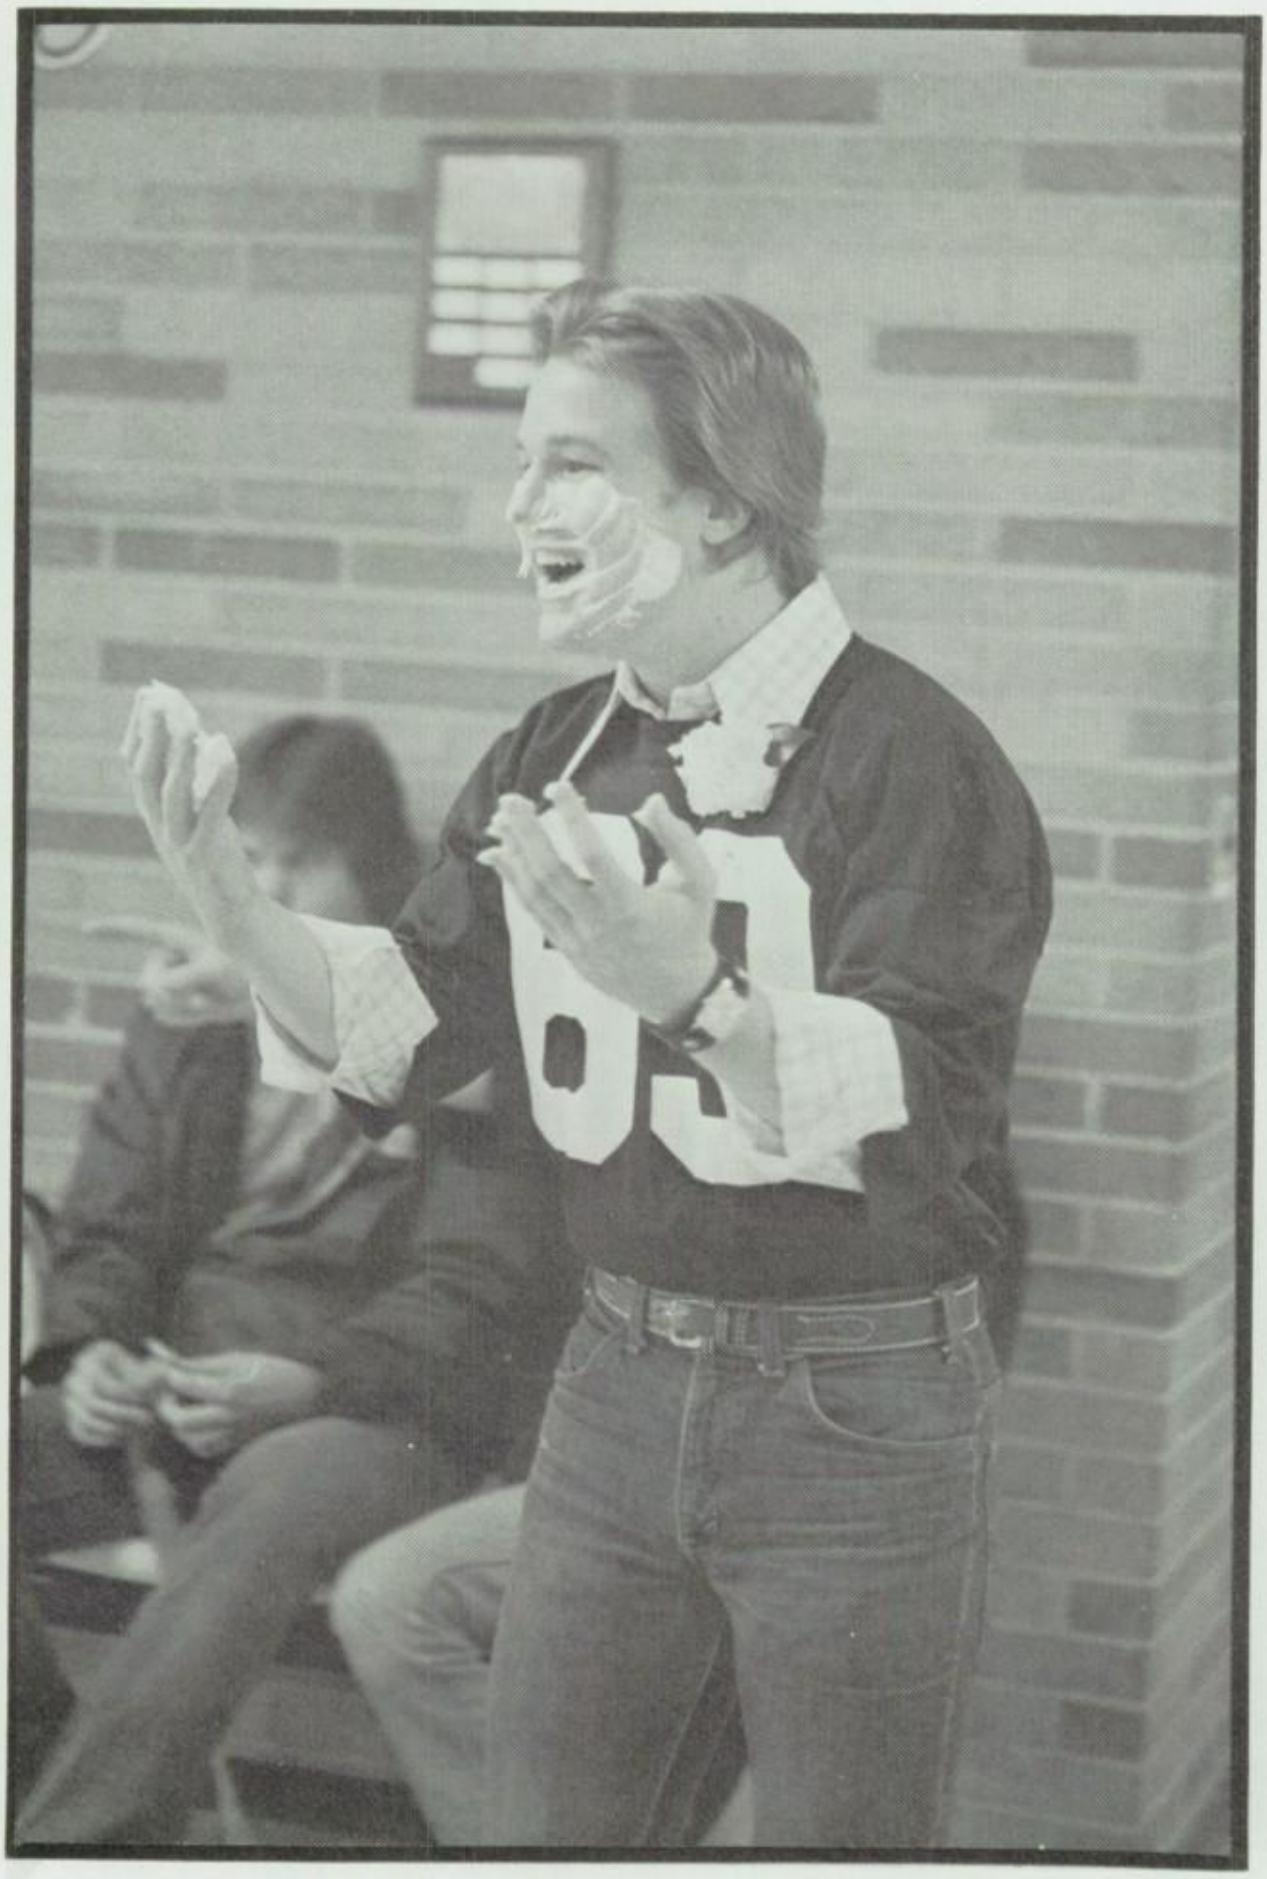
According to Ski Club sponsor Mrs. Germek, this year's season was a bad one. The weather was either too cold or too warm. They attempted to go skiing once a week, but actually only went three or four times during the entire year.

Mrs. Germek also added casually that "On the bright side there were no broken bones and no one died." On the other hand, the girls complained there were not too many good looking guys, and the guys registered the same complaint against the females.

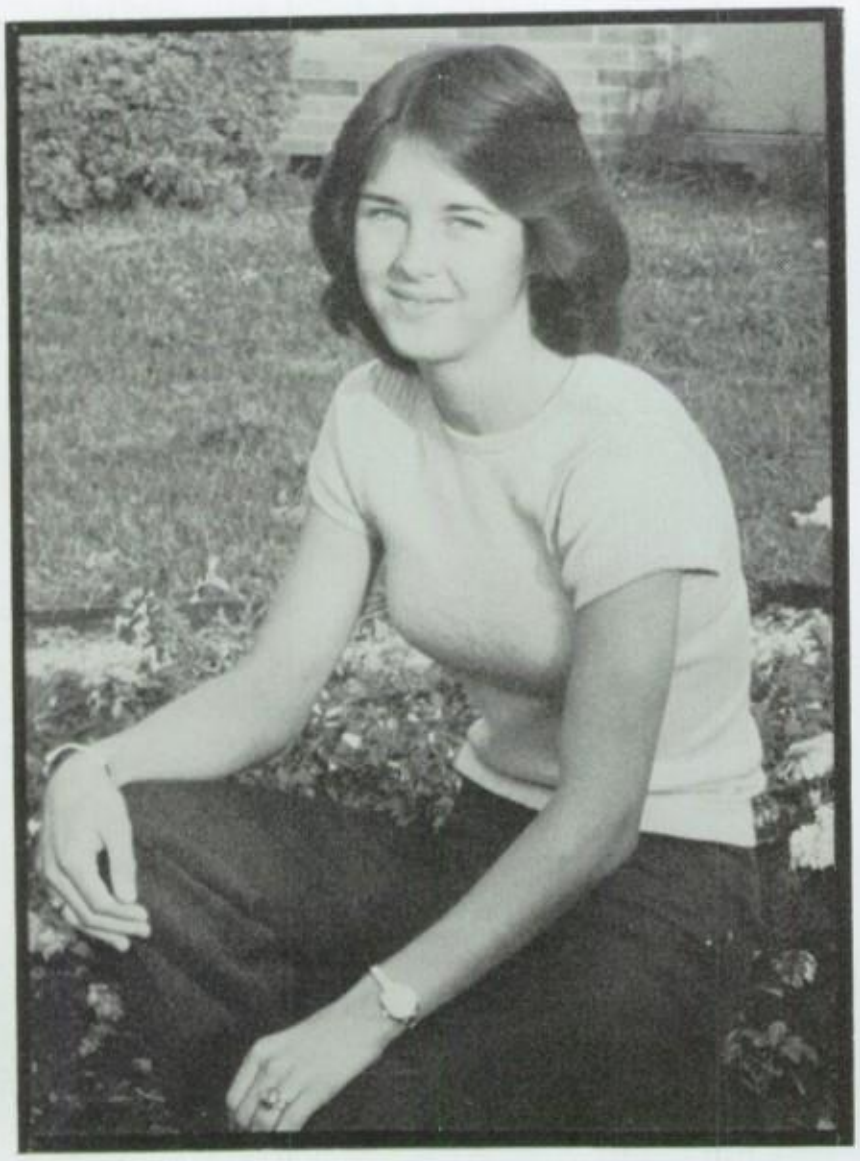
There was only one serious accident to Dave Tatro. The season ended late in February.

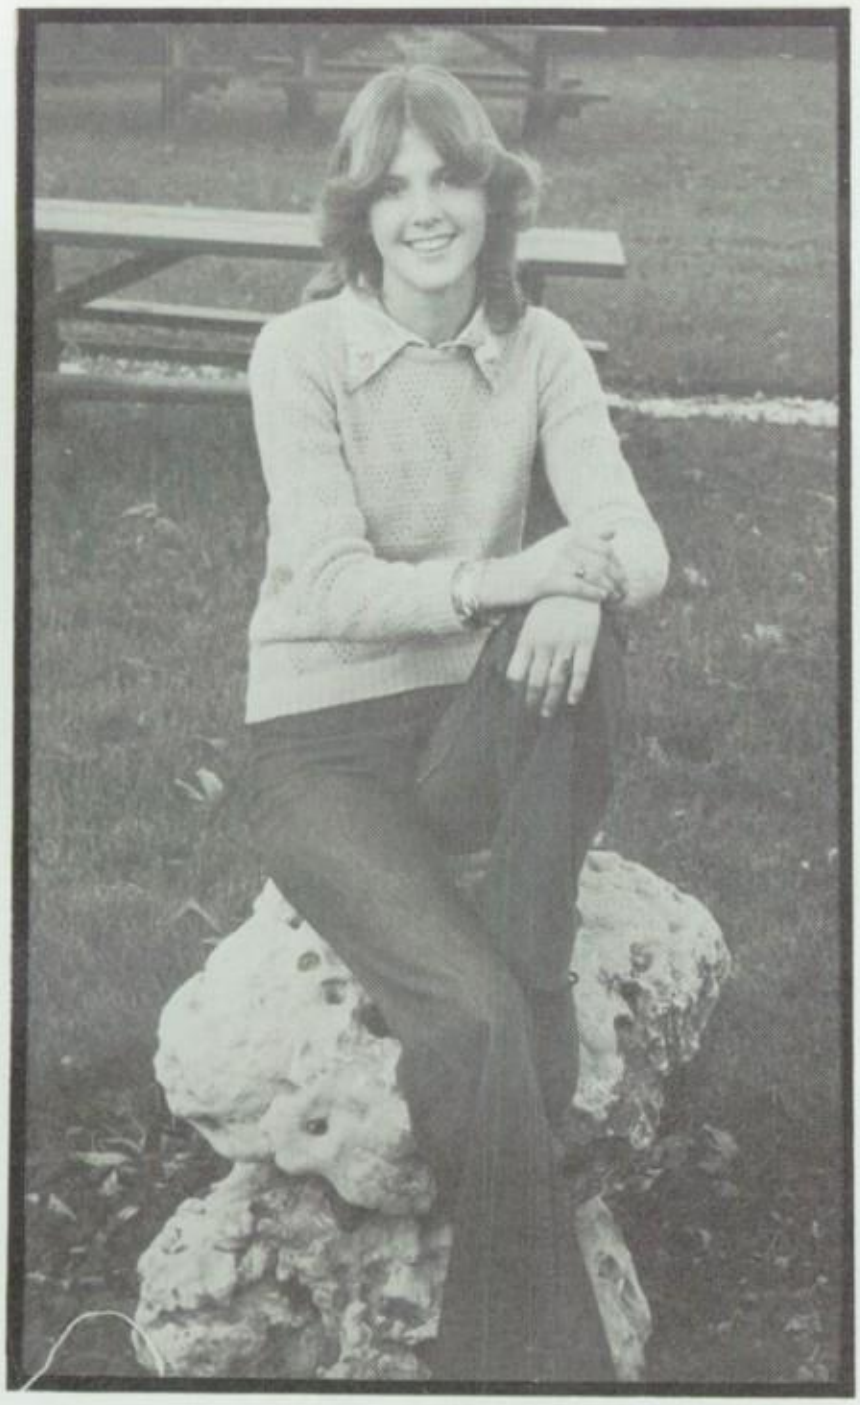
Exploration





Juniors Get It Together





Last year we were initiated as Sophomores. Next year we will finish as Seniors. Presently we are Juniors waiting for a chance to give our best. The goal of the Junior Class Officers is to bring the classes closer together rather than separate them by competition. The class has sold suckers, the remaining jock socks, and sponsored a dance.

Only Time

Will Tell

The defeat of the millage will affect us in coming years.

We are Juniors now but in a short while we will become Seniors—our ultimate goal. What will happen when our futures are suddenly there? Many of us have plans and will move on, but some will be left behind to decide. We will go our separate ways and perhaps meet again. Now is the time for making memories and giving our best.

Sometimes all the determination and potential ability in the world doesn't mean your team will finish on top. This holds true for the Varsity football team of 1976-77. Although the ability was there and hopes were high, the Tigers couldn't make ends meet and had a disappointing season of 3-4 in the league.

The ability of the team was obviously there when nine Tigers were chosen to receive various honors. Co-Captains Greg Shinsky and Wayne Hard were chosen for the All-League first team, and All Observer second team. John White, a junior was named to the All-League first team and All-Observer Honorable Mention.

Capturing Honorable Mentions for All-League were Seniors: Dale Stuprya, Matt Dunnigan, Bob Kirn, Mark Downey, Kris Simonian, and Junior Terry Smith. Head Coach Mike Copeland did his best, but being the coach for his first year on Varsity didn't agree with him but . . . . Wait until next year.

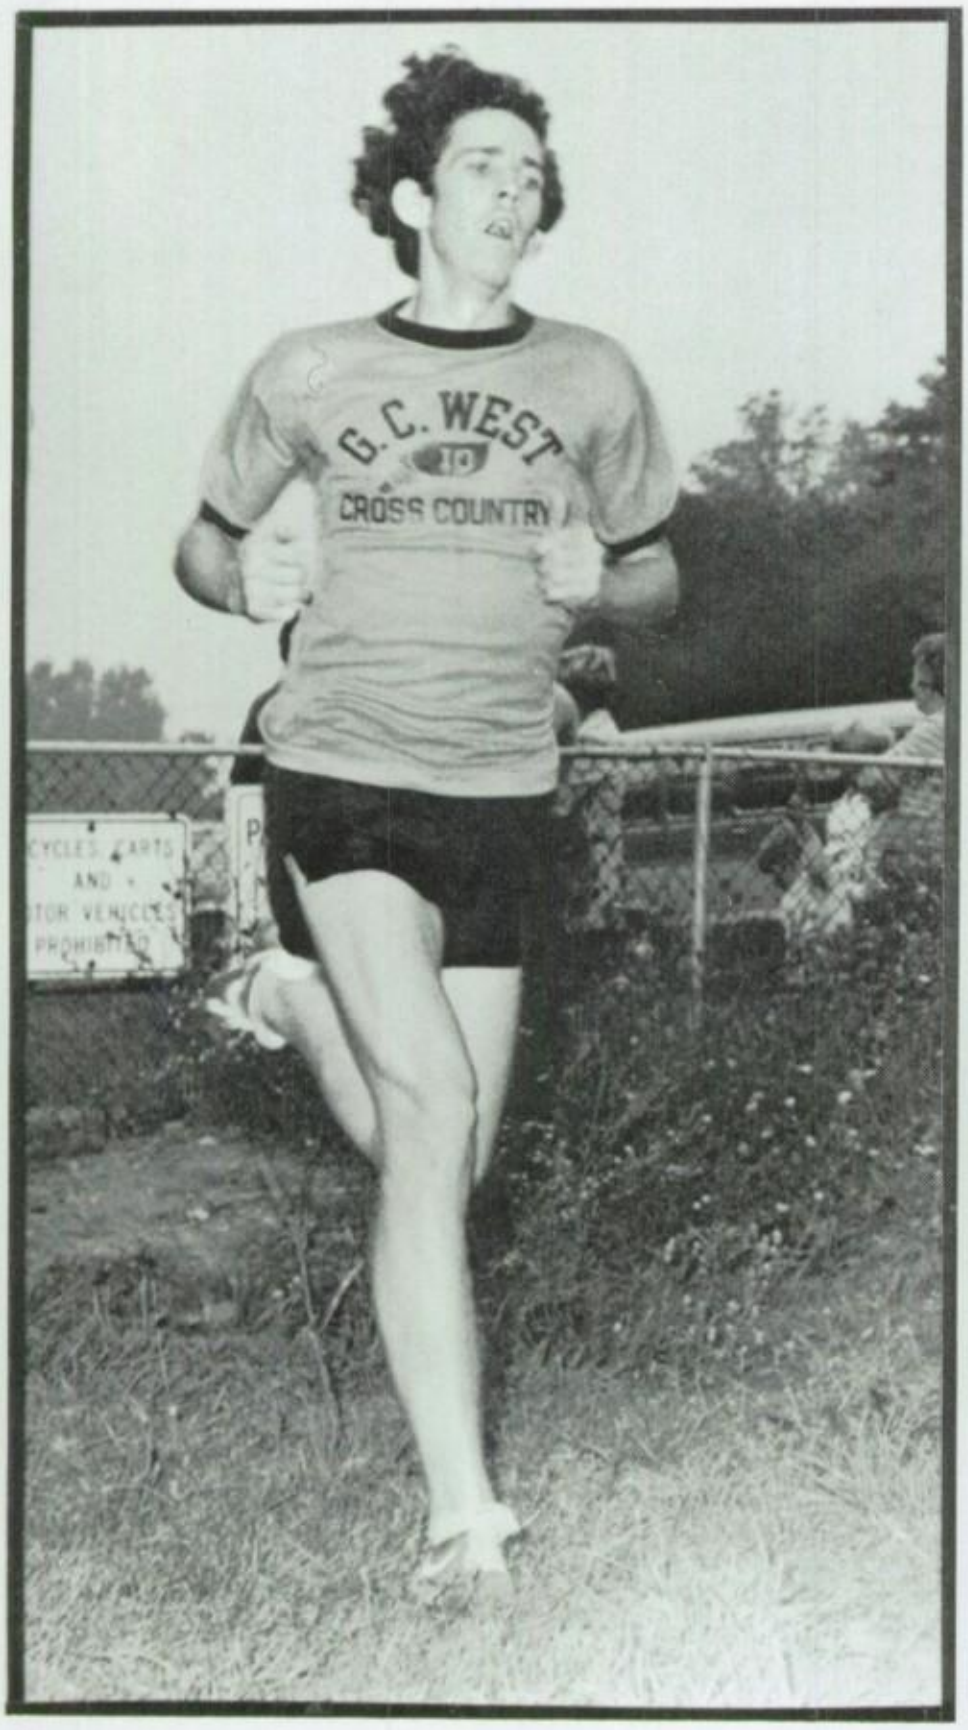
Put together two coaches called Mike Capra and Mike Carr, add a team of determined players and you've got the number one J.V. team in the league. Being number one seemed to come naturally to the J.V. gridders. To name just a few players who led the team to an outstanding season wouldn't be right. It was the combined effort of offense, defense, and an excellent coaching staff. Besides being number one in the league, they were also named City Champs by defeating Cross-Town Rival East 24-0.



The West High Cross Country finished with a somewhat less than impressive record of 3-6 and finished fifth in the Tri-River League. Mark Boyd and Al Brackett, this years co-captains, ended their senior seasons with All-League honors as well as Boyd making the "All-Area" squad. West had high hopes of a league championship but loses to Cherry Hill, Schafer and Crestwood stopped the Tigers quest cold. Injuries plaqued the West squad throughout the year with seniors Curt Bastenalli; Doug Chamberlin, and sophmore Bob Hooten all on the disabled list.

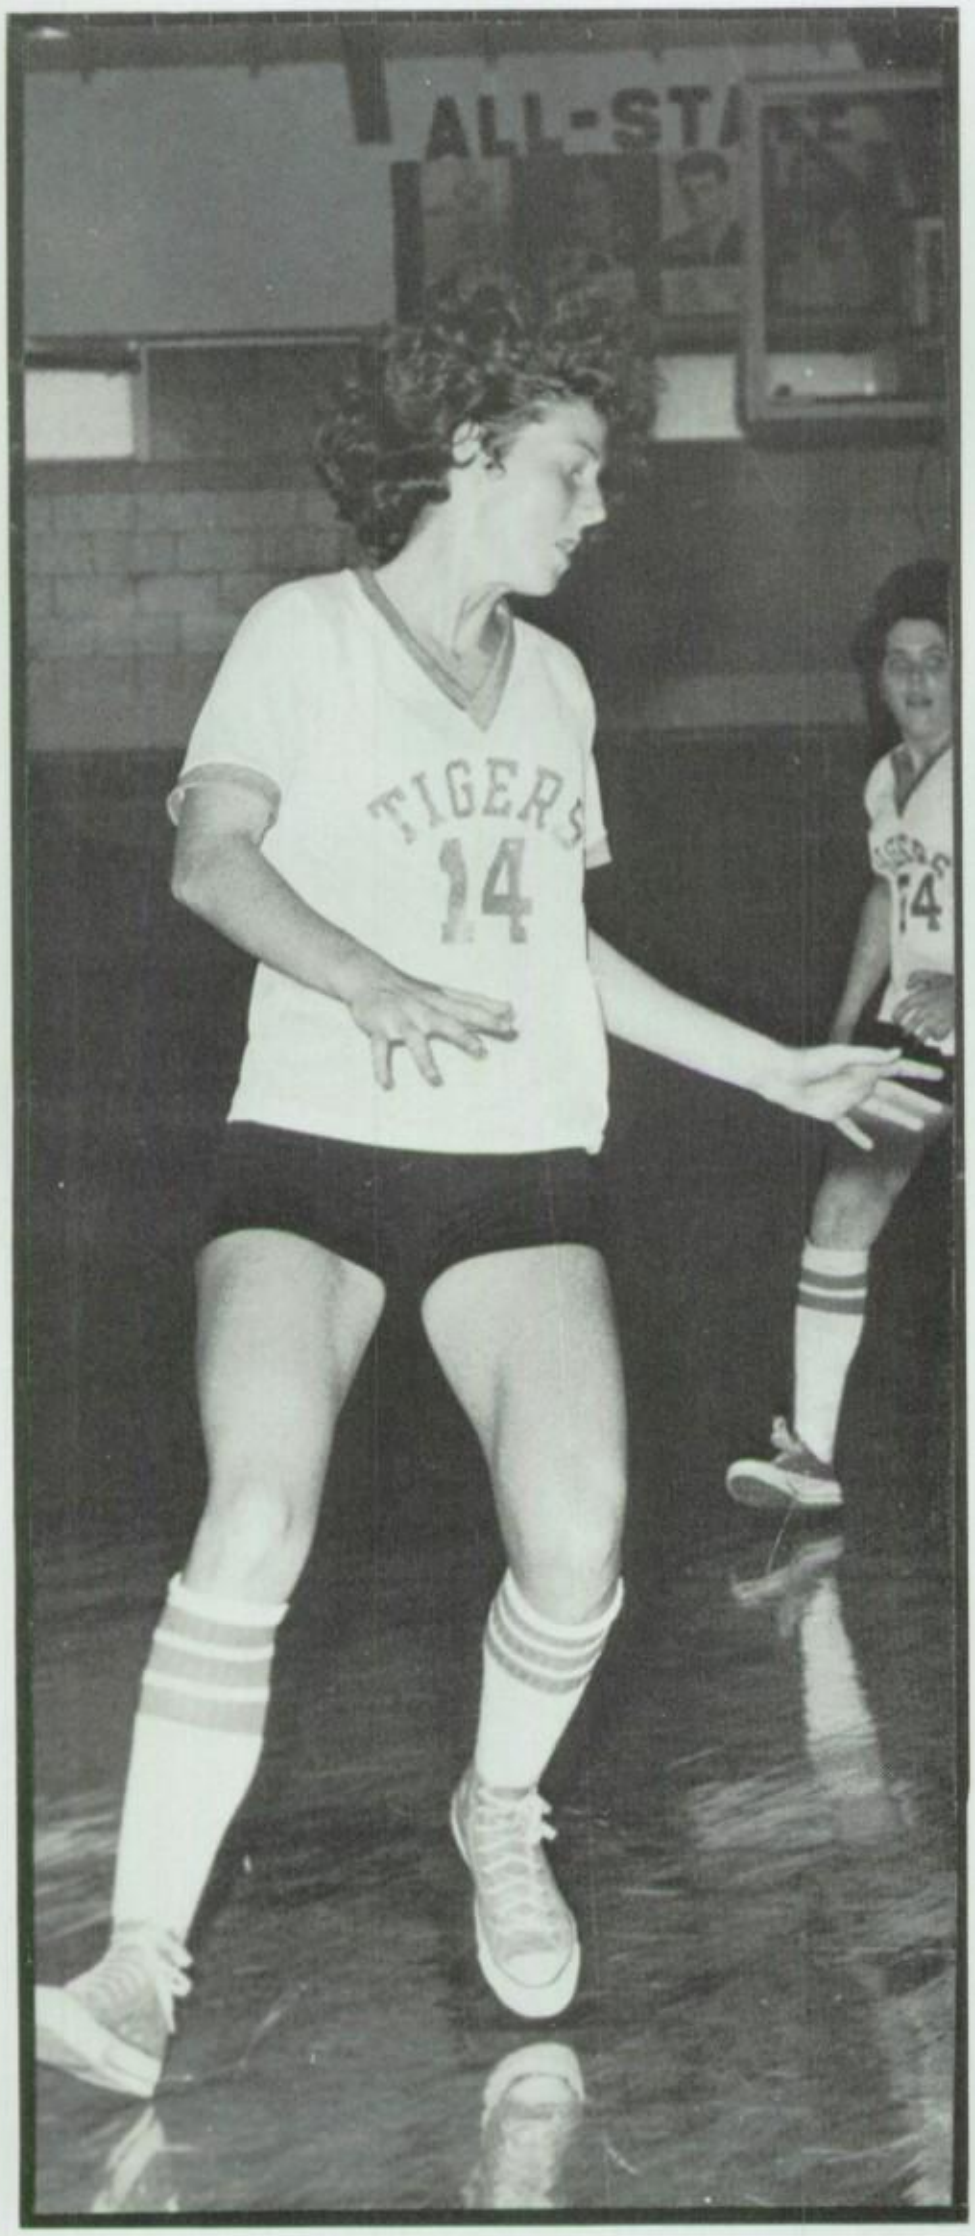
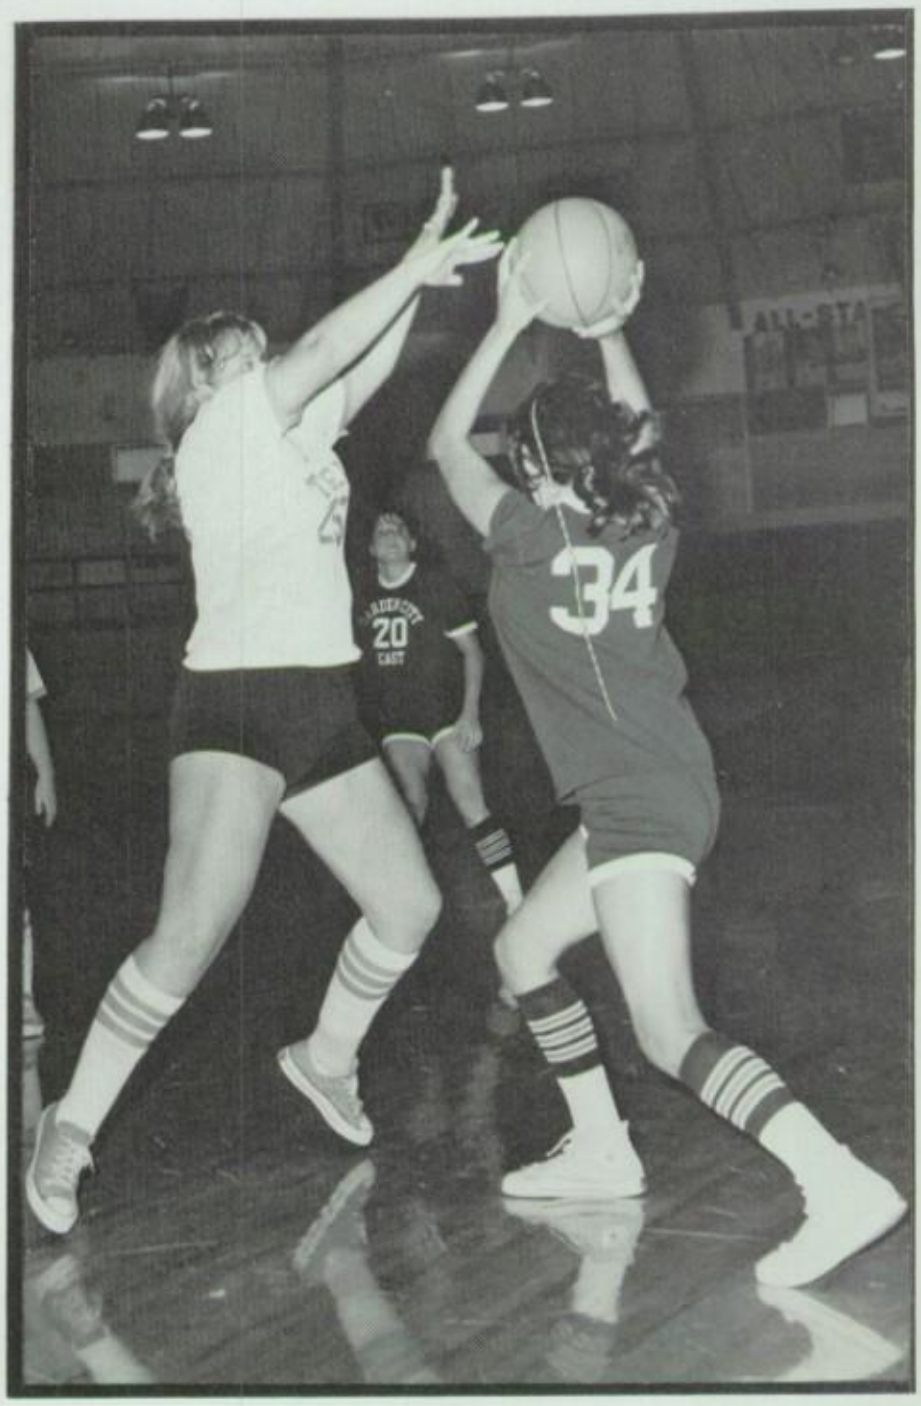
There were eight letter winners on the team. Four of the lettermen were seniors including, Henry Leszczynski, Pat Dougherty, James Johnson, and Craig Swarthout. The teams co-most valuable players and all league winners were Captain Henry Leszczynski and Pat Dougherty. Henry Leszczynski had a new record low score on October 11, 1976 of 33, and a season average of 39.9.

Girls Varsity Has Strong Finish





Girls Varsity Basketball had a terrific season this 76-77 year. They ended with an 8-13 win-loss record.

Our girls did well in the district playoff with a 2-1 record. The Most Valuable Player chosen was Mary Beth Watkins who also had the seasons most points, 214, and best free throw shooter at 47%.

There are times in the life of every athelete that winning isn't as important as having fun. Although the girls J.V. Basketball team had a disappointing season, the good times and experience they had made all the practicing and game playing worth-while. The season ended in defeat with a win-loss record of 3-8. But the memories ended in victory.

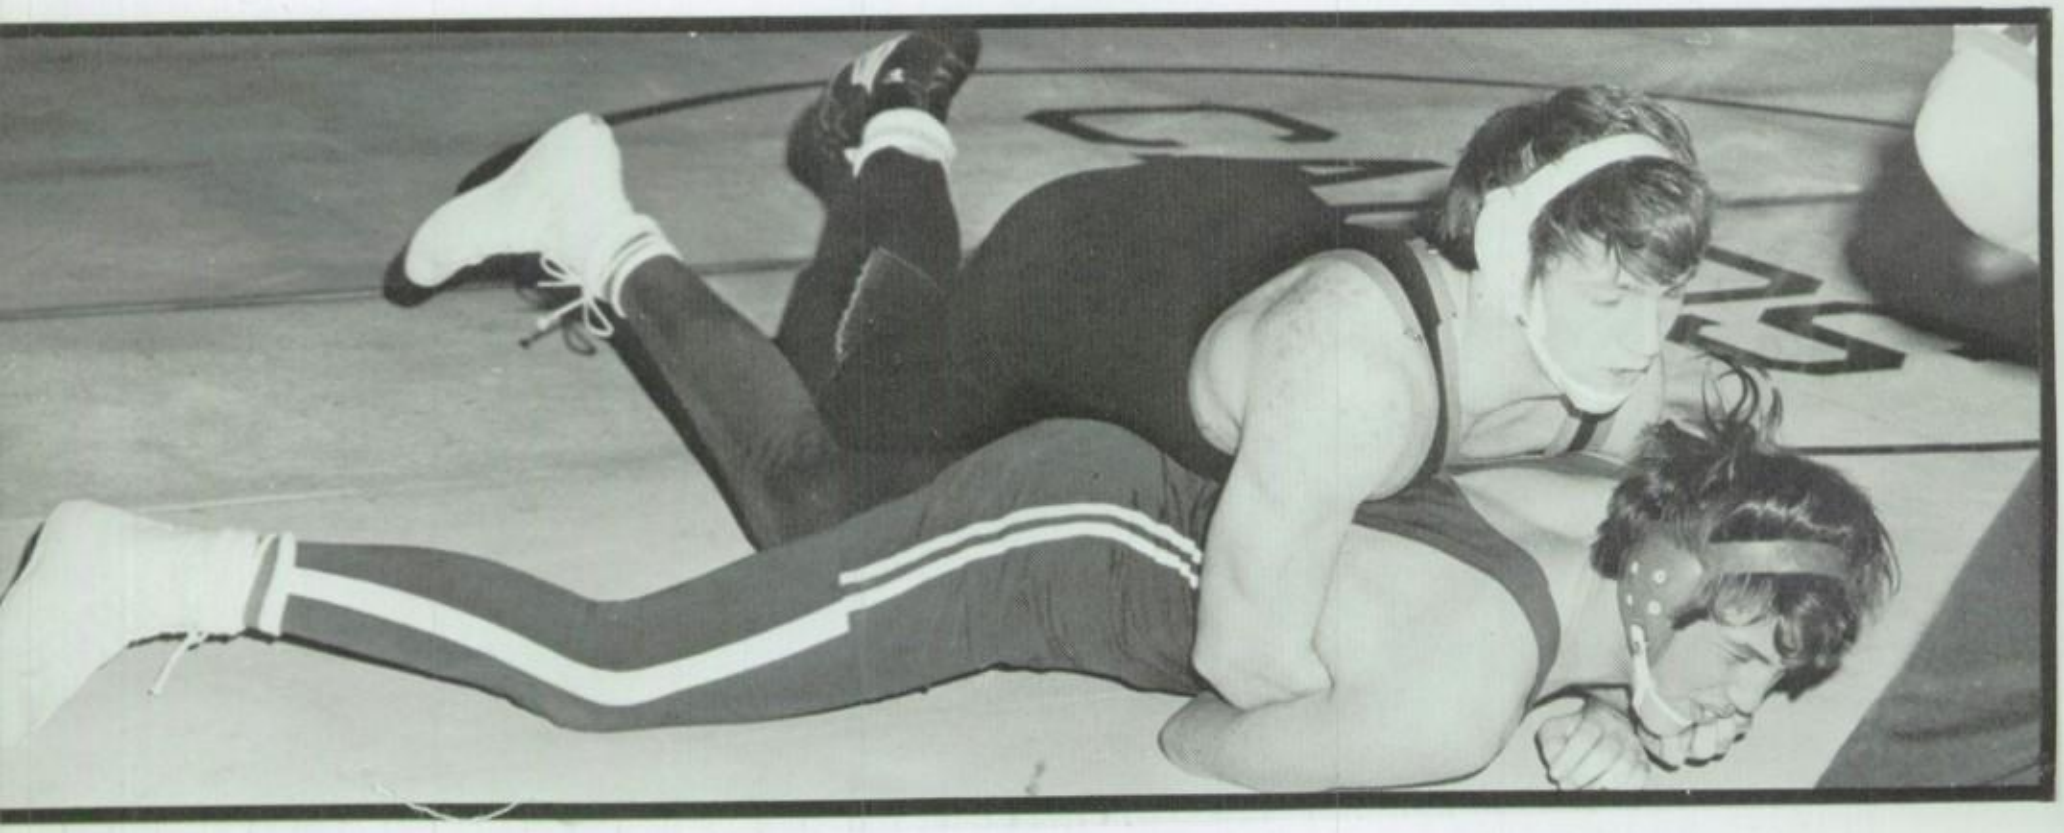
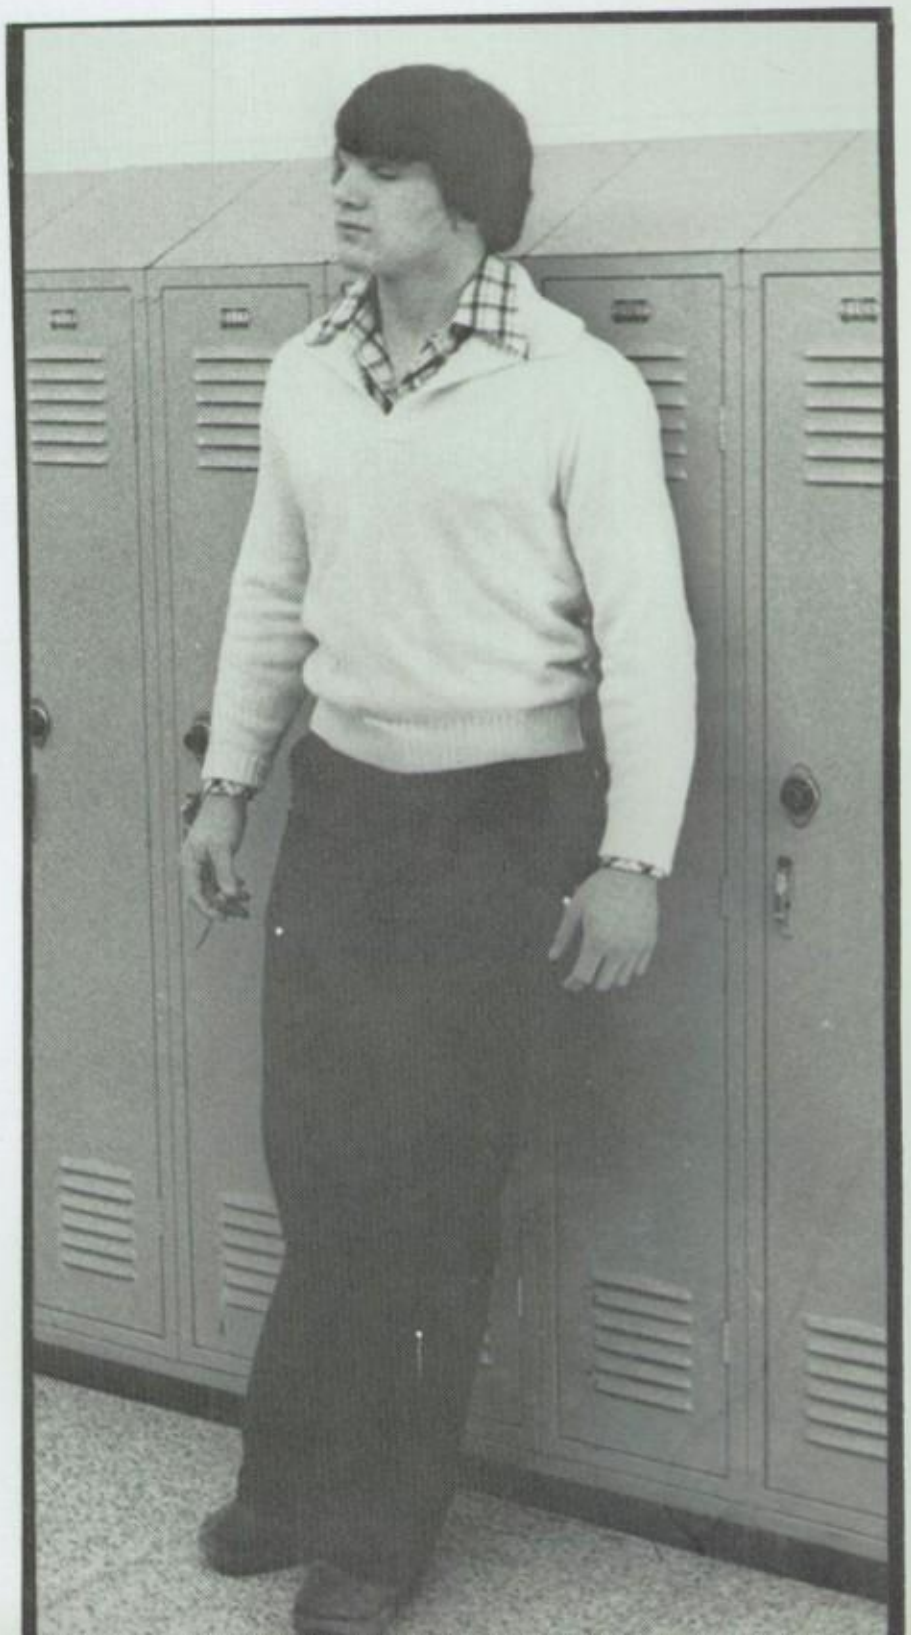
A Dream Come True





All athletes have a dream to someday be recognized for their ability. This year senior Ken Graham had an outstanding record of 30-6, and was recognized as he advanced to the state finals held at Western Michigan University. The competition was rough as all the state's finest wrestlers were there. Ken came in eighth place in the 181 pound weight class.

Graham is planning on continuing his education after graduation at the college of his choice.

When five of last years starting players graduated, all it left this year's Varsity Basketball team was a season of rebuilding. Experience was scarce on the 1976-77 team. Although there were many outstanding sophomores, they too were unaware of all the fine points to a winning basketball team.

The team consisted of two seniors, Captain Al Brackett, and Kevin Cramton, one junior, and the remainder of the team sophomores. The overall season ended with a disappointing record of 1-20.

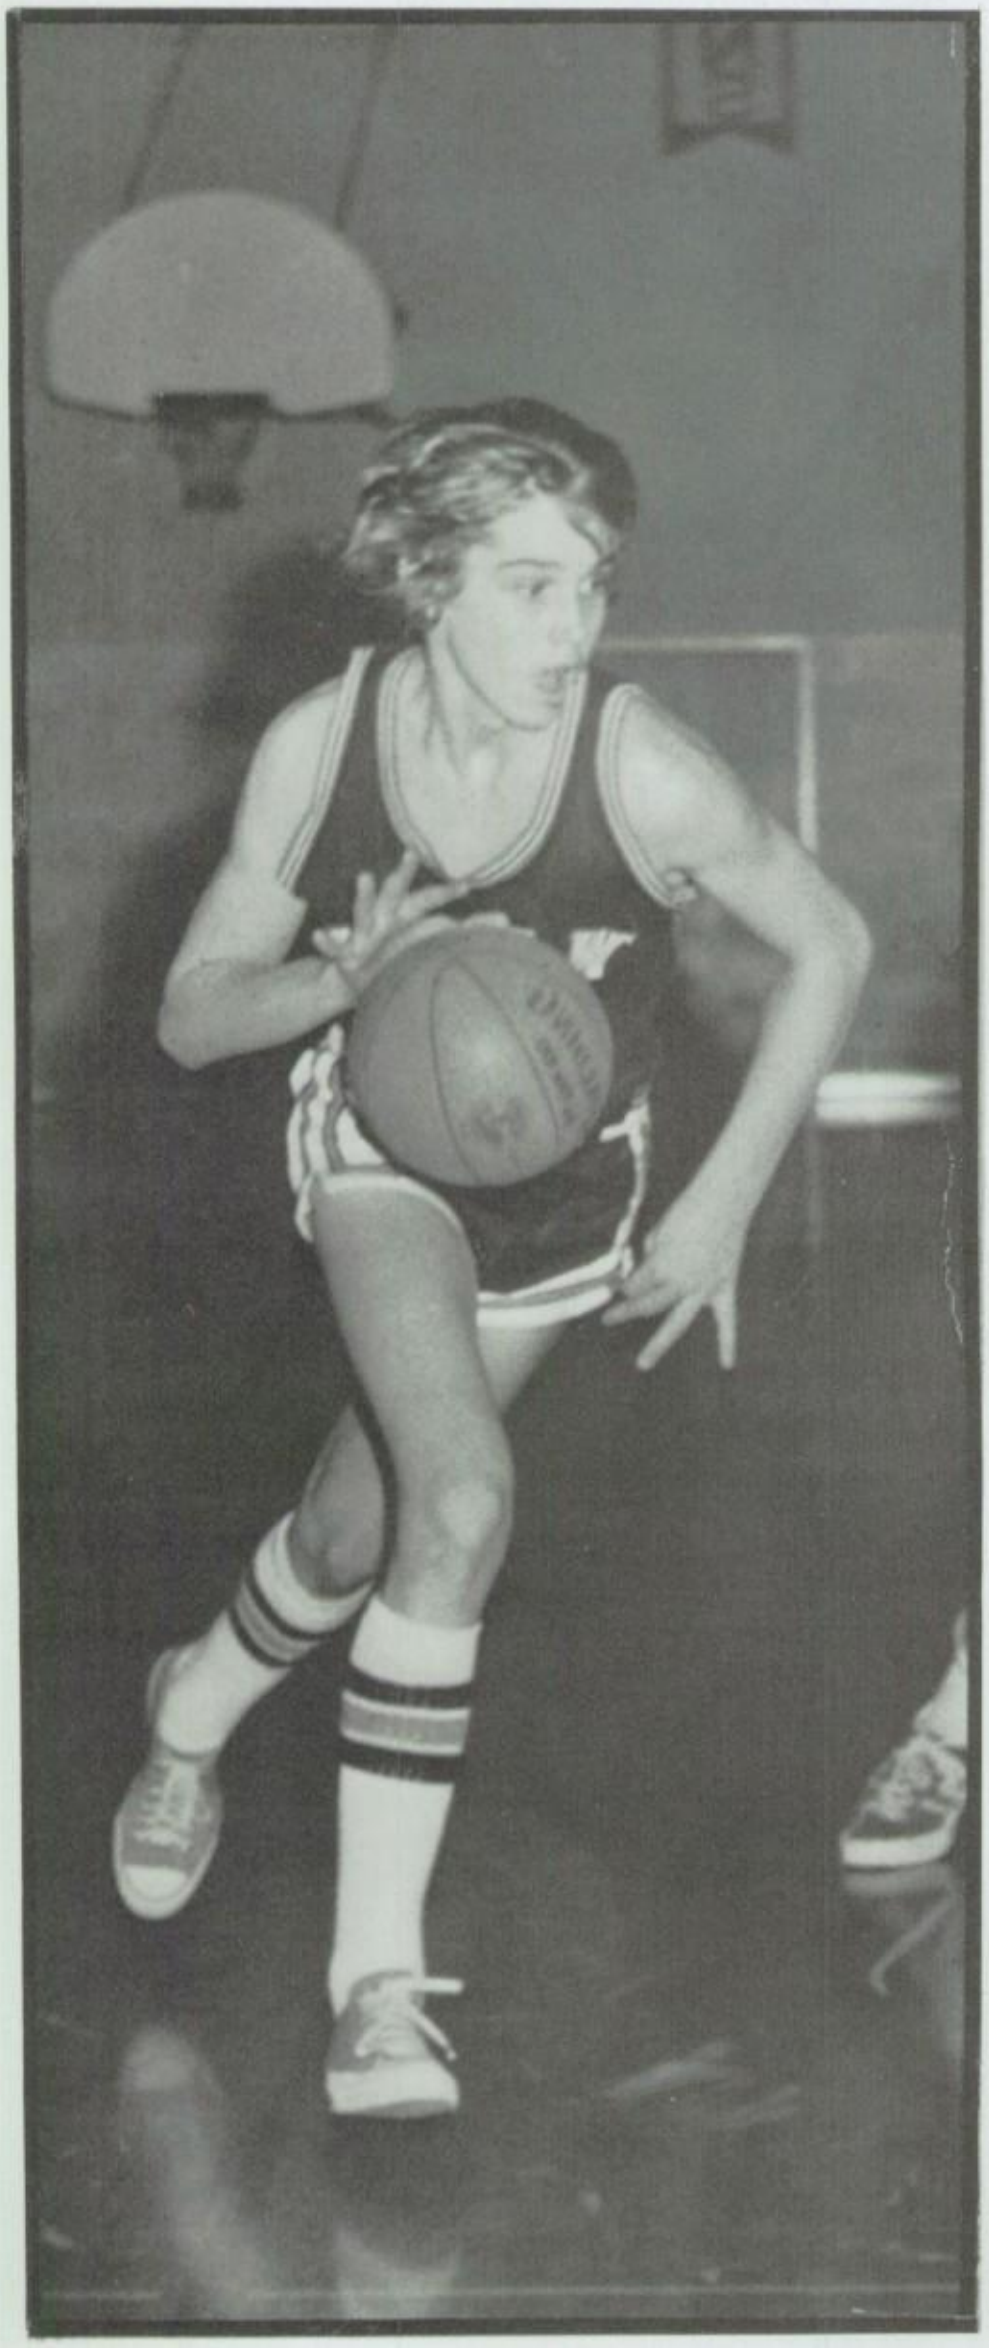
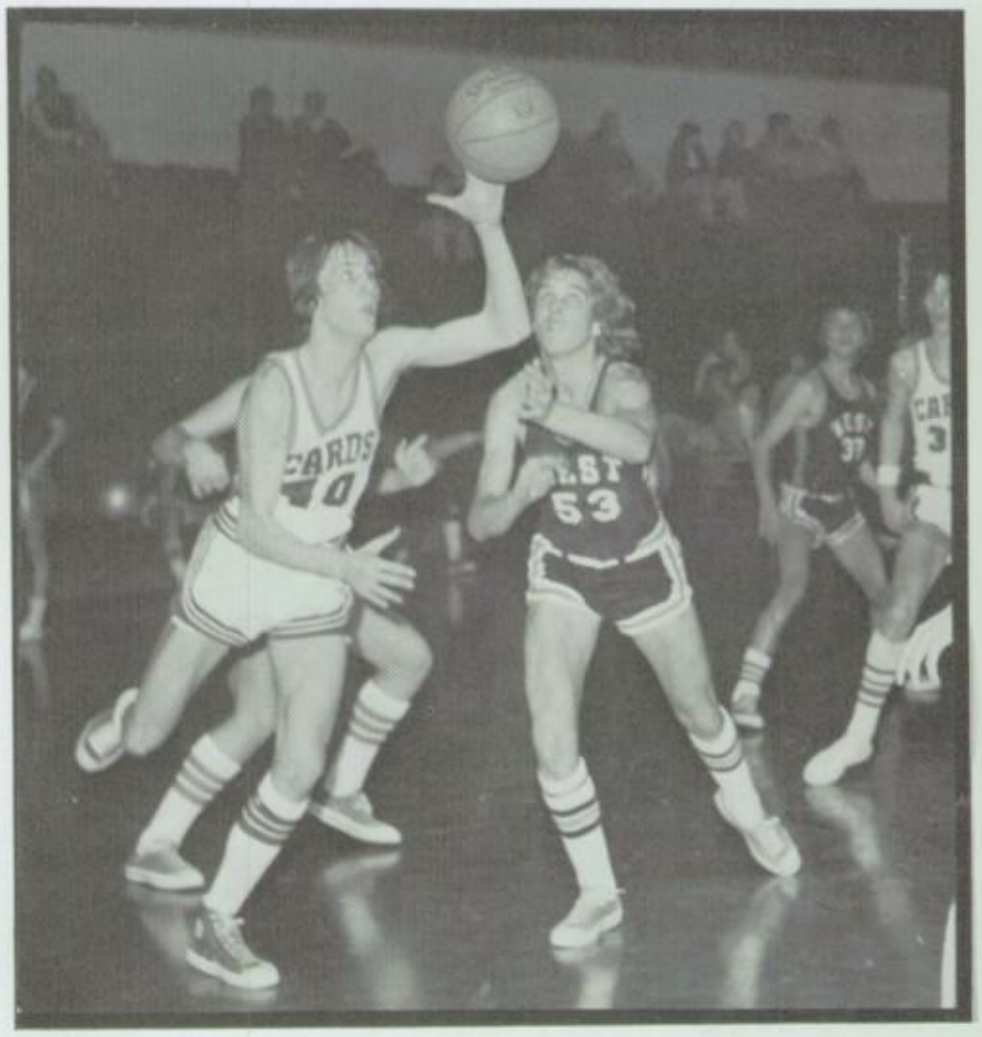
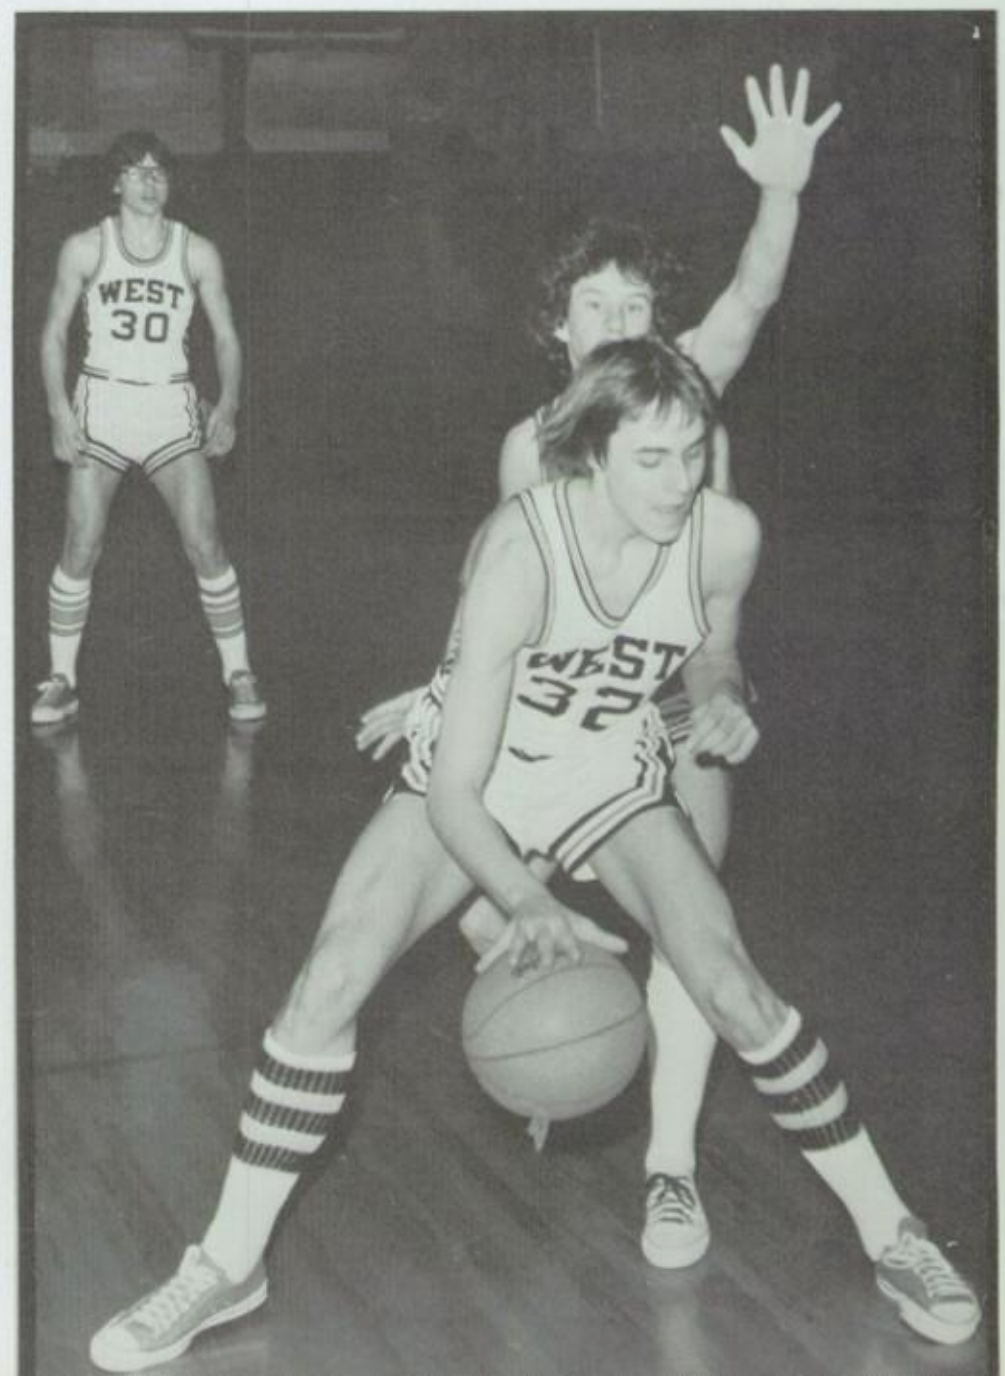
J.V. Team Shows Promise







When various talented sophomores were moved up to the Varsity Basketball team, new head coach Ed Berrington had his work cut out for him. This was Berrington's first year as a coach at West, but he was previously a coach at Wayne Memorial High School.

The J.V. team compounded a record of 6-14. Although this is not a very impressive record, there were several games when the team was defeated by a small point spread.

With all the upcoming talent in the sophomore class, West should prove to be best in the future, if there is a sports program.

Tankers Make SMALL SPLASH

The Tiger tankers got off to a slow start this season and continued to decline as they had a disappointing record of one and thirteen. Their only victory was against Taylor Kennedy. The captains for the 1976-77 swim team were Jim Bernhardt and Doug Burlingame.

Various Tigers broke school records. Brian Ellis broke the record for the 100 yard free style and 200 yard free style. Jim Bernhardt broke the record for the 500 yard free style.

This year the Social Studies department again encouraged variety in their class projects.

Some of the projects were carried on from tradition, such as Mr. Balazy's speaker on death and dying, and class interviews.

Other teachers steered away from tradition, such as Ms. Brammer, whose political science students interviewed Mr. Mavin Esch, a Republican Senatorial candidate from 1976.

Films were also constructed this year by students, and two teachers: Mr. Henry and Mr. Hird. Mr. Henry's class explored and filmed the oldest homes in the city. While Mr. Hird and his group made a film on Crime and Violence. An F.B.I. speaker also contributed to Mr. Hird's class.

Trips were also planned throughout the year. Mr. Riley encouraged individual field trips, and Mr. Quinn and Mr. Fink planned a trip to Mackinac Island with the Michigan Studies students.

This year even under the pressure of tremendous budget cuts, the math and science departments did not waiver their attempt to provide the students of West High with an adequate education. Students are still able to enjoy a chance to obtain an education that will qualify them to enter any college, since the necessary classes such as Chemistry, Adv. Biology, Trigonometry, and Physics are still being offered.

Mrs. Karen Gilbert

The English department has been greatly affected by curriculum cuts this year. Ten of fifteen phase III-IV class were cut, and nine phase IV classes were also deleted leaving only Advanced Composition, for the verbally talented.

Over crowding of classes, shortages materials, and money continue to plague the program. However, Mrs. Fristick, head of the English department, has explained that the department is doing there best to save programs. Instructionally they are doing the best they can with what they have.

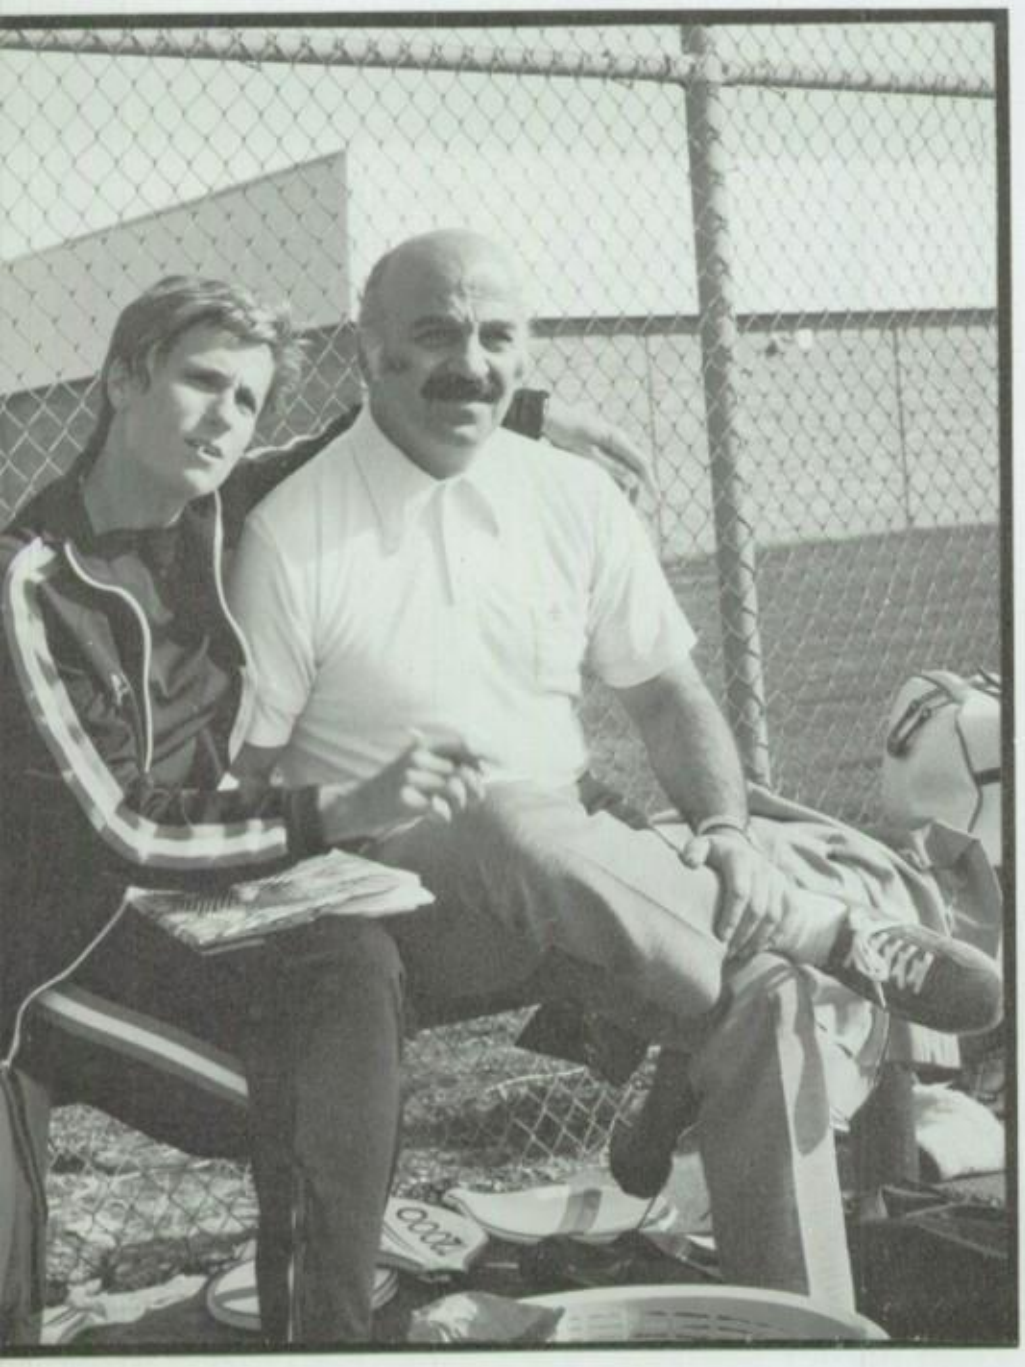
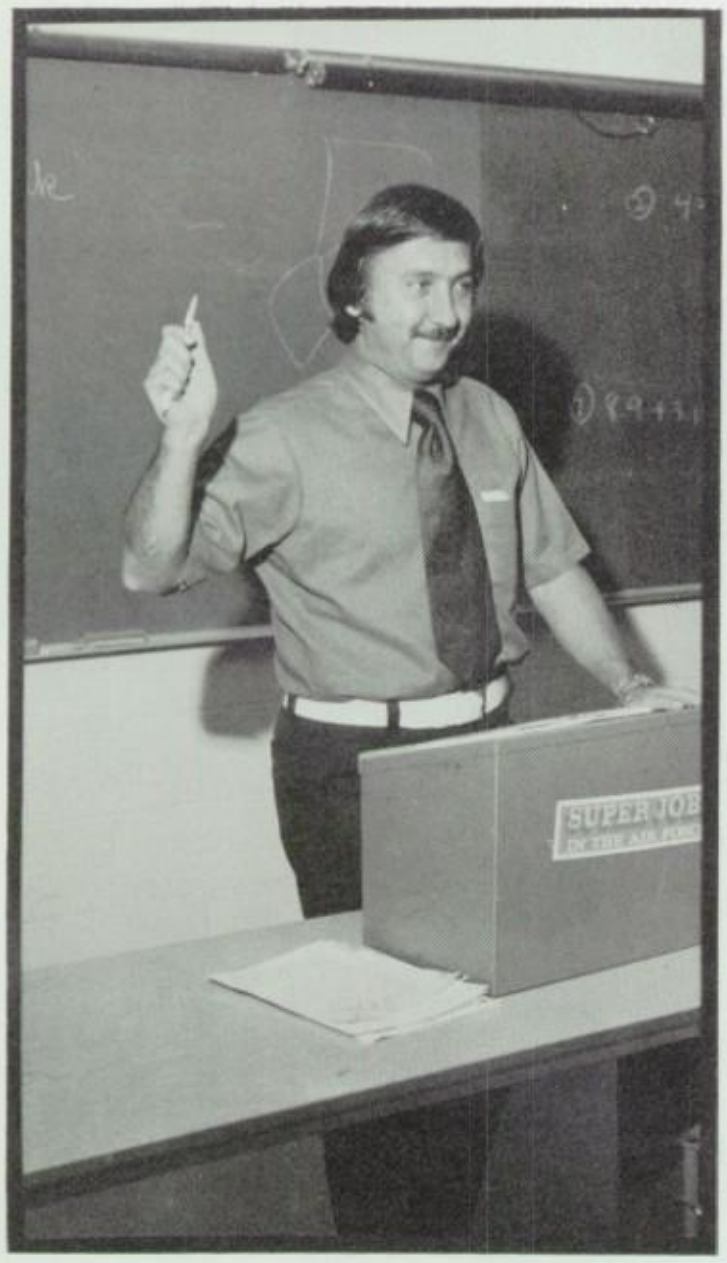
Instructors Expand Student Interests

This year's physical education department changed its curriculum to the extent that they now offer half year gym swimming sessions. Students are still required to take one full year of physical education to graduate.





The physical education department includes four teachers as seen on the opposite page.

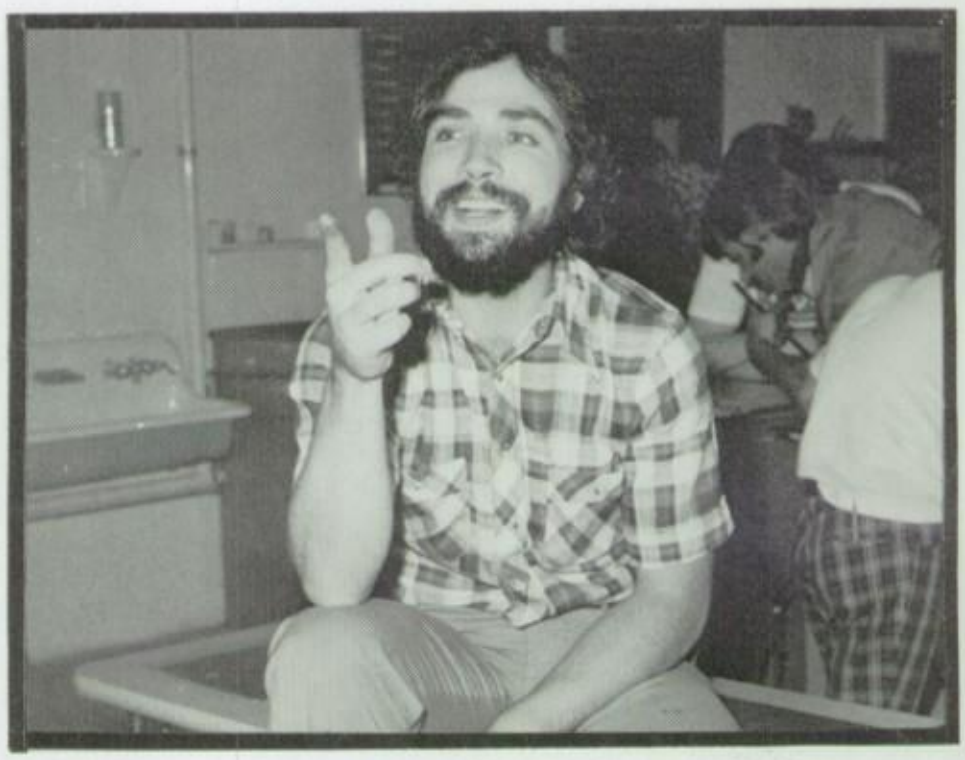
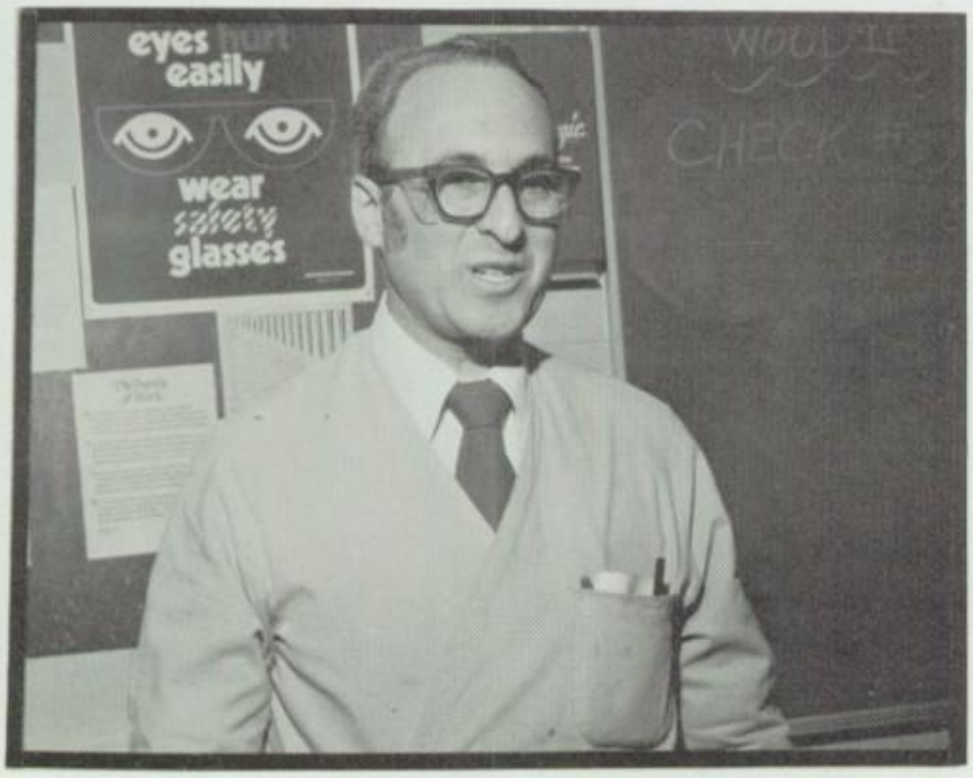
From Pots To Machines





In the area of Home Economics, the courses have remained the same. The basic classes are still being offered such as foods, sewing, and Interior Decorating. The National Betty Crocker Scholarship test continued to be offered in the middle of December, and this year's winner was Christine Anderson, a senior.

Small engines, and Graphics are only a few of the many courses available in the Industrial Arts Department. Wood and metal classes are offered along with Drafting I and II.

The business department aims its efforts at preparing young men and women to enter careers in the world of business.

There are classes offered such as shorthand, typing, retailing, sales, and office practice for the general clerk and secretary.

With this type of background, students can obtain jobs pending graduation.

Connie McNutt explains arena scheduling to faculty members John Thompson, Steve Ross, and Lyn Sutton.

Nancy Roleson talks with a student.

DeWitt White, Thomas Szeles enjoys a friendly chat with Diane Jablonski.

The secretaries and counselors not only keep the paperwork on students, but they also serve as their advisers, friends and confidants. The secretaries manage to involve themselves in student concerns in between their reams of typing, transcribing, and taking dictation.

The Counselors also lend a helping hand to students in various aspects in their lives. A major accomplishment boasted by this year's staff, with the help of concerned students and administrators, is the retention of arena scheduling next year. This method of assigning students to classes has given students a choice in determining their teachers and classes, and it has minimized schedule changes.

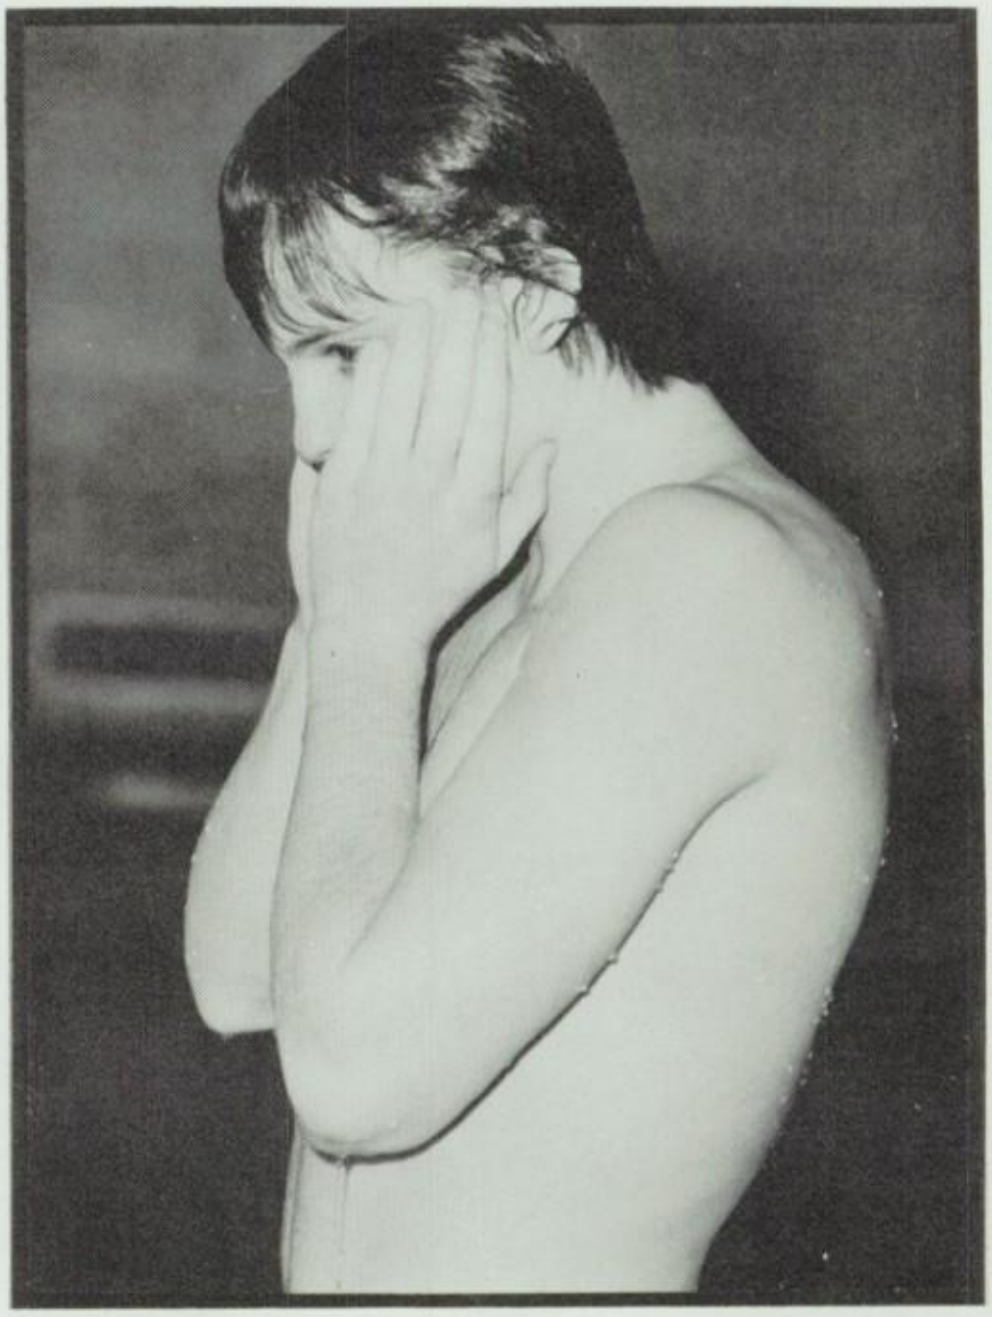
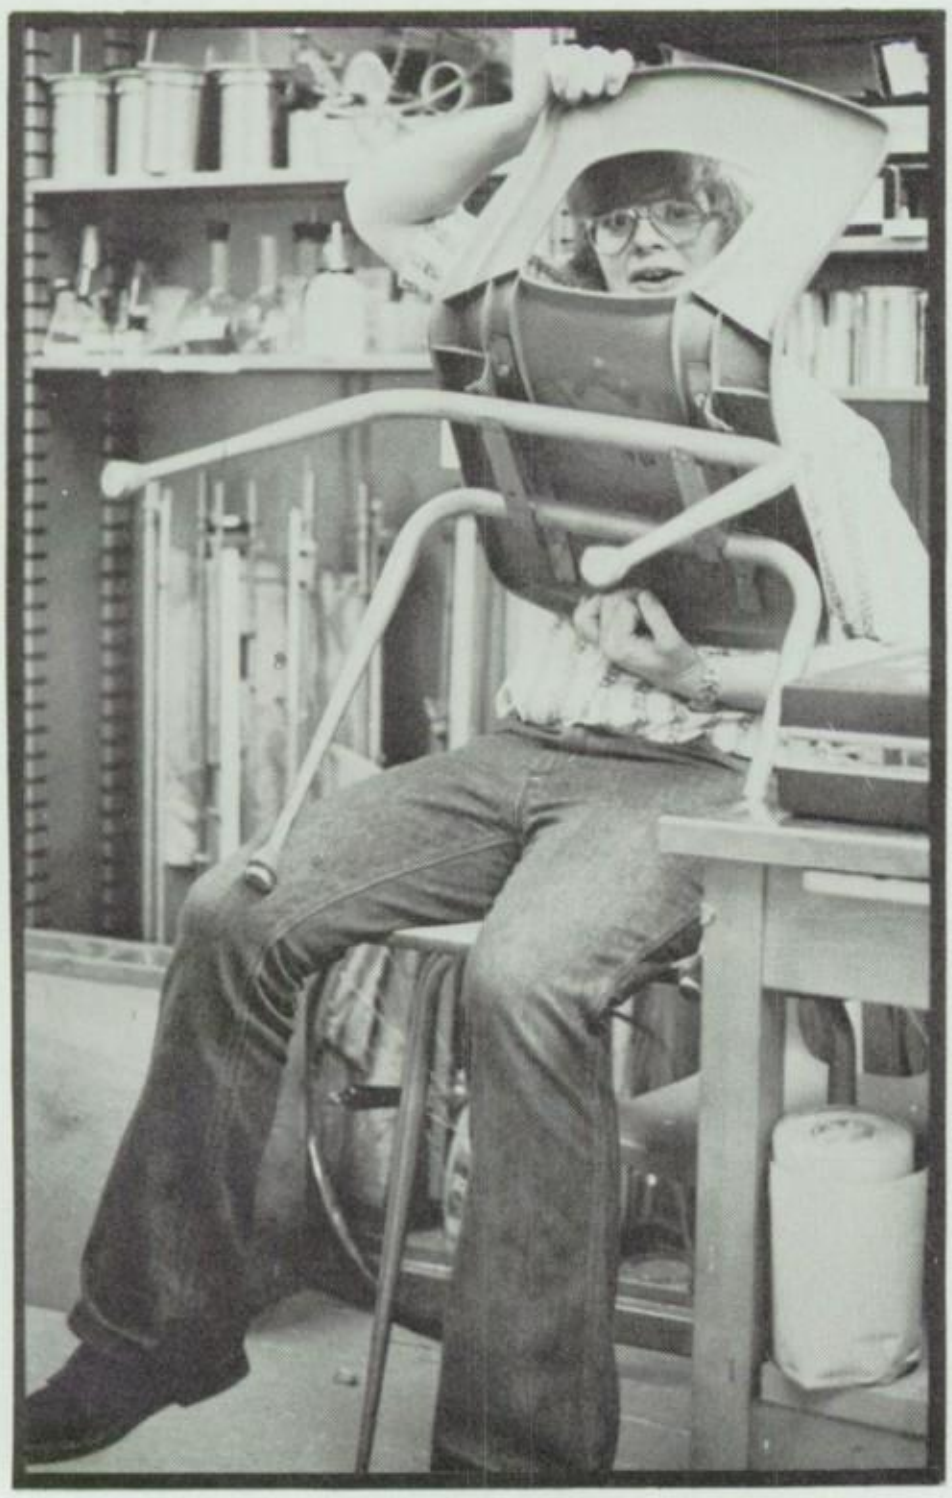
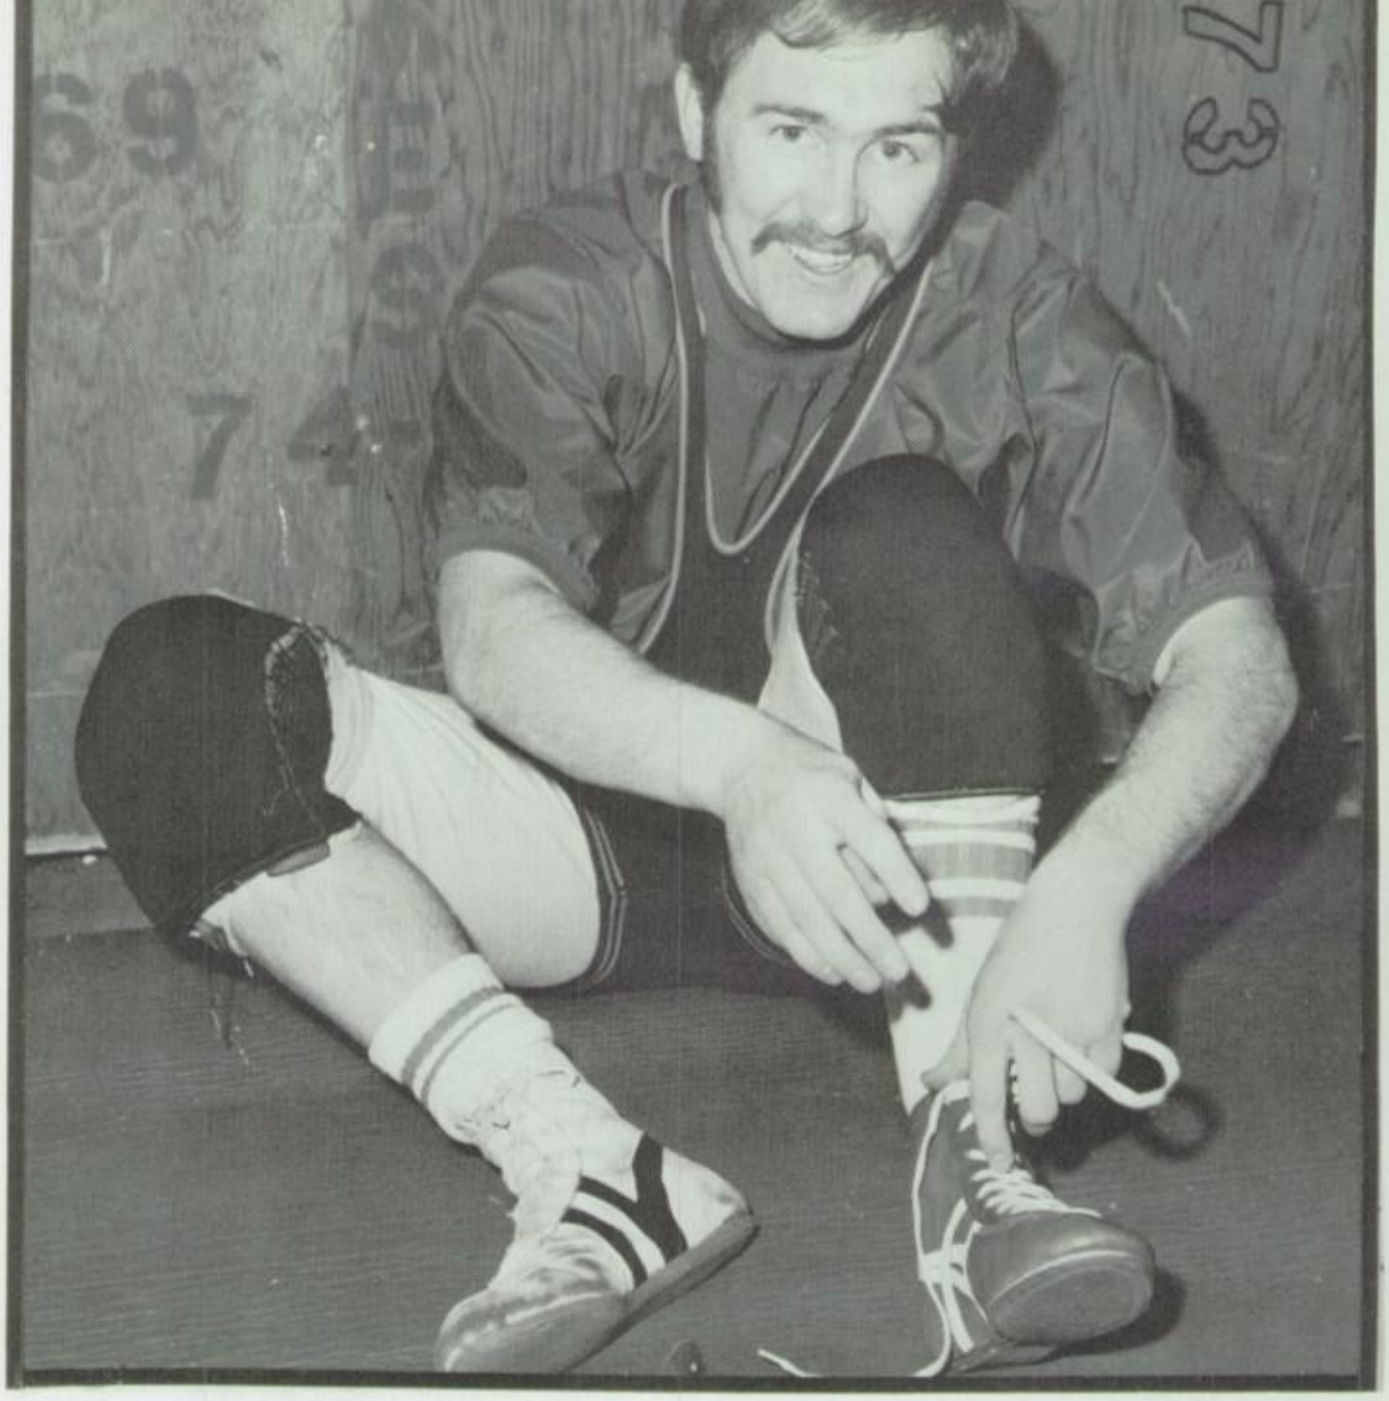
We were confronted, We tried, We conquered.

Bottom right center: Jerry Bennett. Just below: Larry Fruit. Far below: Paul Biegalski, Chester Biegalski, Dan Biegalski.







As we look back on previous years at West, we find that this has always been a very active and fortunate school. West has had everything from Homecoming to the donkey basketball games, football to bake sales and in the process, so many people have participated.

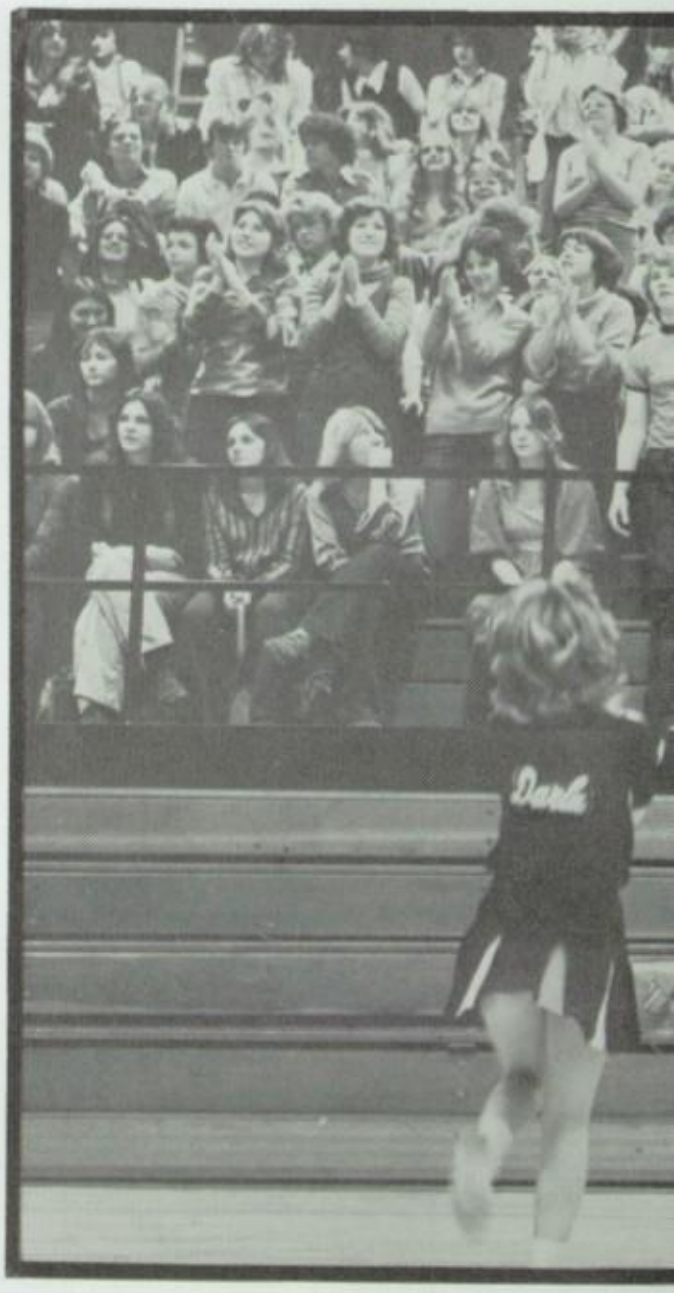
This year however, little by little we have found that many of our privileges have been taken away from us. We have had to manage to get by with what we do have.

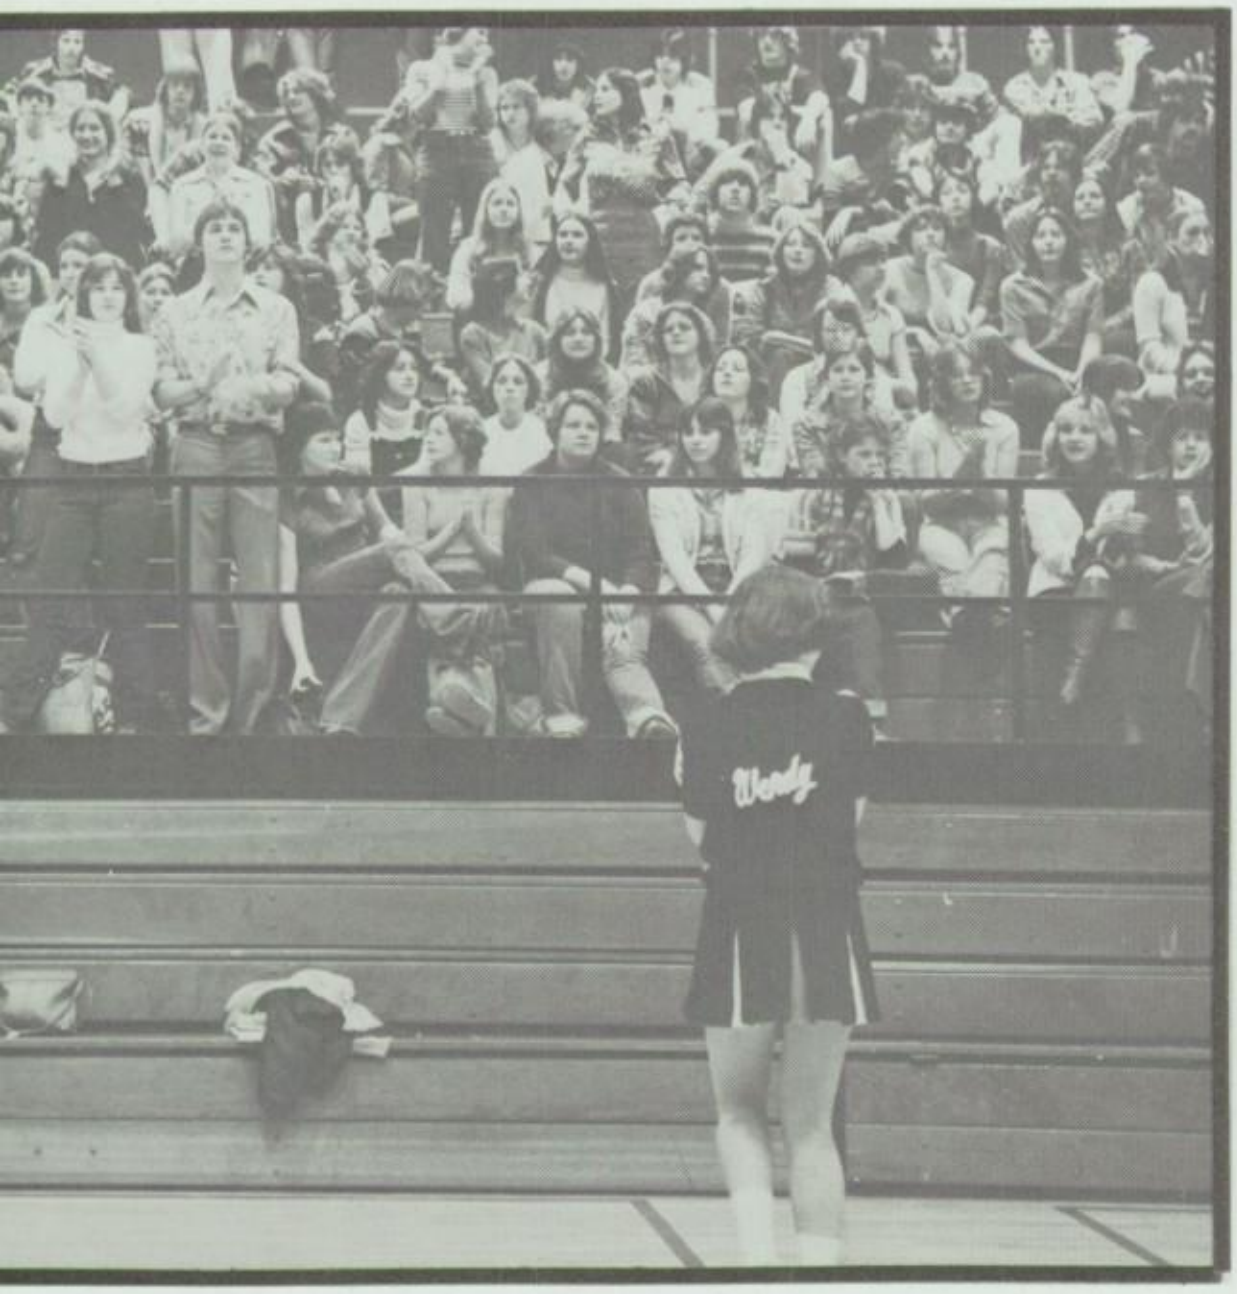
What will come in the future years? Many people care, many do not. Only time will tell if West will ever be as active, and spirited as it once was. And if it is not, it will hardly be the fault of the entire student body. Rather, it will be the fault of the apathetic students and the insensitive community.

Far upper left: Alan Brackett, Upper left: Rick Osier, Far lower left: Beth Grace, Center left: Dan Carr, Left: Fawn Zube, Above: Pam Chovich, Right above: West under construction, 1964 Right: Donna Looney.

Once again we come to an end. The end of a year in our life. Each year we must leave one behind to look to the future. But whatever the future holds in store we can always remember how the past has shaped our ways for the future.

Students will remember the changes that went on. The things that were done. But with all the changes that occurred, we did the best we could with what we had.





Top far left: Melody Watkins, Lori Lawson, Mary Burgos. Middle far left: Varsity football players. Lower far left: Marsha Gross. Next: Scott Neslund. Top middle: Ray Galecki. Middle picture: Seniors at a pep assembly. Top right: Donna Meyers, Unise Horton, Fawn Zube. Above: Mr. Stan Worrell.
